STORE KEEPERS, FARMERS, AND OTHERS

should buy their Teas for cash from the importers direct.

It has been established, by the best medical authority, that one-half the nervous diseases are caused by drinking impure Tea. The Montreal Tea Company, in directing the attention of Farmers, Hotel-keepers, Country Stores, and the numerous consumers of their Teas, have pleasure in informing them that they have recently imported a large quantity of fine, fresh and fragrant new season Teas, which have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them, and which will be sold at the smallest possible profits, saving to the consumers 15c to 20c per lb.

We can highly recommend our 60c, 65c, and 75c English Breakfast, 60c and 65c Uncolored Java, and best at 75c; and Young Hyson at 70c, 75c, 85c, and best \$1.00, as being very superior Teas, and are very strong and rich in flavour. These Teas are put up in 12, 15, 21, and 25 lb. boxes, and are warranted pure and free from poisonous substances. Orders for two 12 lb. boxes, or one 20 or 25 lb. box, sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by expressman, where there are express offices. In sending orders below the amount of \$10, to save expenses, it will be better to send money with the order. Where a 25 lb. box would be too much, two or three, clubbing together, could divide. We warrant all the Teas we sell to give entire satisfaction. If they are not satisfactory, they can be returned at our expense. A saving can be effected by purchasing the Tea in half-chests, weighing about 40 or 50 lbs., as on an average there is one or two lbs. over weight. Post office orders and drafts made payable to the Montreal Tea Company, 6 Hospital Street, Montreal. If we deliver Tea free of charge, but in addition to this expense the Express Company charge for collection. This item would be saved to us if purchasers would enclose the cash with order, but this is optional.

BLACK TEA—English Breakfast, Broken Leaf, Strong Tea, 45c; Fine Flavored New Season do., 55c, 60c, and 65c; Very Best Full Flavored do., 75c; Sound Oolong, 45c; Rich Flavored do., 60c; Very Fine do. do., 75c; Japan, good, 50c, 55c; Fine, 60c; Very Fine, 65c; Finest, 75c.

GREEN TEA—Twankay, 50c, 55c, 65c; Young Hyson, 50c, 60c, 65c, 70c; Very Fine, 85c; Superfine and very Choice, \$1.00; Fine Gunpowder, 85c; Extra Superfine do., \$1.00.

Teas not mentioned in this circular equally cheap. Tea only sold by this Company.

An excellent Mixed Tea could be sent for 60c and 70c; very good for common purposes, 50c.

We have sent over one hundred thousand pounds of Tea to different parts of the Dominion, and receive assurances every day of its having given entire satisfaction. Our Teas are not coloured with mineral dye to make them look well. They should, therefore, only be judged by tasting. We have pleasure in subjoining a few of the numerous testimonials already received:—

MONTREAL, April, 1868.—To the Montreal Tea Company, 6 Hospital Street, Montreal:—We notice with pleasure the large amount of Tea that we have forwarded for you to different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your Teas are giving general satisfaction, as out of the large amount forwarded, we have only had occasion to return one box, which, we understand, was sent out through a mistake.

G. O'BRIEN,
Manager Canadian Express Company.

RUSSELL HOTEL, Quebec, January 7, 1868.—Montreal Tea Company:—Gentlemen,—The six chests of Tea forwarded some time since arrived in good order. The quality is pure and excellent, and prices cheap. As I am particular in buying the best quality of Tea to be had for our guests, I am pleased to acquaint you that it gives general satisfaction.—Your obedient servant,

WILLIS RUSSELL.

WINDY, 1st April, 1868.—To the Montreal Tea Company:—Gentlemen,—The three boxes of young Hyson Tea, at 60c per lb., that I and my friends purchased from you, is very good indeed. We could not get it here for less than 80c per lb.; and also the Tea that you sent the Rev. Peter Goodfellow is splendid. I shall soon send you some more orders.—Yours very respectfully,

ALEX. ENGLISH.

HANCOCK, March 16, 1868.—To the Montreal Tea Company:—The Teas filling my last order have reached me safely, and prove satisfactory; and I would confidently recommend all consumers who appreciate a really good article, as well as a saving of 15 to 20 per cent., to buy their Teas from the Montreal Tea Company.—I am, gentlemen, yours, &c.,

Ayer's Cathartic Pills,
For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country, as this mild but efficient purgative.

The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cures them; those who have not, know that it cures their neighbors and friends, and all know that it does once it does always—that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For Dropsy or Indigestion, Headache, Stomach, Langor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Dropsy, and all the various ailments of the system, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by acting on the urinary apparatus. There it is often a long and dangerous retention of urine, and a large dose of these Pills, taken one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. It is often a long and dangerous retention of urine, and a large dose of these Pills, taken one or two Pills to promote digestion and relieve the stomach.

For Suppression a large dose should be taken as it produces the desired effect by acting on the urinary apparatus. There it is often a long and dangerous retention of urine, and a large dose of these Pills, taken one or two Pills to promote digestion and relieve the stomach.

DEVIN'S VEGETABLE
WORM

PASTILLES.

Are now acknowledged to be the safest, simplest, and most effectual preparation for the destruction of worms in the human system.

THEY ARE PURELY VEGETABLE.
THEY ARE AGREEABLE TO THE TASTE,
THEY ARE PLEASANT TO THE SIGHT,
THEY ARE SIMPLE IN ADMINISTERING,
AND SURE AND CERTAIN IN THEIR EFFECT.

In every instance in which they have been employed they have never failed to produce the most pleasing results, and many parents have, unhesitatingly, testified to their valuable properties. They can be administered with perfect safety to children of most tender years.

CAUTION.—The success that these Pastilles have already attained has brought out many spurious imitations; it will be necessary therefore to observe when purchasing that you are getting the genuine.

The genuine VEGETABLE WORM PASTILLES are stamped "DEVINS," and are put up in boxes containing thirty pastilles, with full directions, and are never sold by the ounce or pound. They can be had from any of the principal Druggists in the city, and wholesale and retail from
