

# Beyond All Comparison

Victory Bonds are beyond all comparison the best investment in Canada.

From November 29th Victory Bonds are being dealt in on the open market. Quotations will be found on the financial pages of all Canada's leading dailies

**"Dominion Government securities are the best in the market and no price fluctuations can affect the quality of the investment or the ability and undertaking of Canada to redeem them at maturity at one hundred cents on the dollar."**—Sir Henry Drayton.

The financing of the greatest crops in Canada's history has required all available banking funds. Money rates must, therefore, be temporarily high. Many business men, under these conditions, prefer selling securities in order to procure the necessary funds for business purposes. With such a volume of securities coming to the market, unusual investment opportunities are resulting.

The crest of high prices for commodities has been passed. Many staple products have already had decided drops. These conditions always precede higher prices for bonds.

There is, therefore, every indication that those who invest in the present period will, before any great lapse of time, regard their investments as singularly fortunate. We consider that the present period gives the investor what will probably be the greatest investment opportunities of a lifetime.
