Notice to Iron Bridge Builders.

Chief Engineer.

Tenders must be accompanied by plans, specifications and strain sheets of the structure proposed to be constructed, and also in description in detail of the mode or manner in which it is to be created and put in place, as no interference with the present bridge or the traffic across the same will be permitted, except as stated in the specification; and they—the tenders—will not be considered unless usacle on the forms supplied, and signed with the actual signatures of the tenderers.

derers.

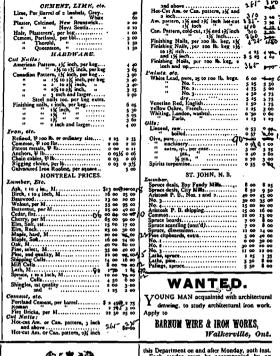

An accepted bank cheque, payable to the order of the Ministee of Public Works, equal to five for card, of amount of Lender must necesspany each tender. This cheque will be forfeited if the party decline the contract, or full to complete the work continued for, and will be returned in cate of non-acceptance of tender.
