

(b) the interest is paid to any agency or instrumentality (including a financial institution) which may be agreed upon in letters exchanged between the competent authorities of the two Contracting States.

4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from Government securities and income from bonds or debentures, including premium and prizes attaching to such securities, bonds or debentures, as well as income assimilated to income from money lent by the taxation law of the State in which the income arises. However, the term "interest" does not include income dealt with in Article 11.

5. The provisions of paragraph 2 shall not apply if the recipient of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State professional services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 15, as the case may be, shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and that interest is borne by that permanent establishment or fixed base, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

7. Where, owing to a special relationship between the payer and the recipient or between both of them and some other person, the amount of the interest paid, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the recipient in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the payments shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 13

Royalties and Fees for Technical Services

1. Royalties and fees for technical services arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties and fees for technical services may also be taxed in the Contracting State in which they arise and according to the law of that State, provided that where the royalties or fees for technical services are paid in respect of a right or property which is first granted, or under a contract which is signed after the date of signature of this Agreement, the tax so charged shall not exceed 30 per cent of the gross amount of the royalties or fees for technical services.
