

UNIVERSAL EYESIGHT COMPANY—*Con.*

*Emmerson, Hon. H. R.* (Westmoreland)—5907.

Asks the objects—5907. Cannot see how insurance of this character would be of use to an individual. Should hesitate before passing it—5910.

*Graham, Hon. Geo. P.* (Renfrew)—5909.

Some forms of life policy have a total disability clause—5909. There is no great injury in permitting insurance of this kind because the public get it now—5909.

*Lemieux, Hon. R.* (Rouville)—5907

What kind of eyesight do they insure?—5907. Will they insure short-sighted statesmen against any ‘faux pas’ they may make?—5908. Did Mr. Fitzgerald or the department make any report against this Bill to the Committee?—5910.

*McLean, A. A.* (Queen's P.E.I.)—5907.

The Bill was submitted to the Insurance Department and they suggested adding clause 9. Reads clause 7—5907. Only one premium that is the cause of clause 9—5908. The department is in accord with it. The form of policy can be settled on—5909.

*Maclean, A. K.* (Halifax)—5909.

Sees a title which may lead to fraud and does not think it will pass the Committee on that account—5909.

*Meighen, A.* (Portage la Prairie)—5908.

The Bill appears to bear such earmarks as demand further investigation before we grant it—5908. There is only one premium for all the insurance. One can see the danger this would lead to—5909.

*Nesbitt, E. W.* (North Oxford)—5908.

Could not find out in Committee what insurance they would charge—5908. That is why in the committee we made them increase their deposit—5909. It would be advisable to let the Bill stand—5910.

*Oliver, Hon. F.* (Edmonton)—5908.

Are treating their duties very lightly if sanction such a project without fuller information—5908.

## UNIVERSAL EYESIGHT COMPANY.

Bill No. 126 third reading—Mr. A. A. McLean—5940.

*Borden, Rt. Hon. R. L.* (Prime Minister)—5941.

Is not able to see any particular reason why this Bill should not pass. Very much on the line of accident insurance—5941. What the terms of the Bill provide—5942.

*McLean, A. A.* (Queeen's, P.E.I.)—5940.

Obtained a memorandum from the officials of insurance. Reads it—5940. This is a kind of insurance that is granted by Lloyds every day—5941.

UNIVERSAL EYESIGHT COMPANY—*Con.*

*Oliver, Hon. F.* (Edmonton)—5940.

Asks the views of the government as to parliament sanctioning this new departure in insurance—5940. No further objection to make—5941. Thought it desirable that the attention of the government be called to the special character of this Bill—5942.

## USE OF FLAGS.

Bill 74 introduced—Mr. G. H. Bradbury—1410.

*Bradbury, G. H.* (Selkirk)—1410.

The object of the Bill is to prevent the flag being defaced for advertising purposes—1410.

*Emmerson, Hon. H. R.* (Westmoreland)—1410.

Should go further. The Bill should provide against the defilement of the flag in political contests. The recent election—1410. Those who would attempt to usurp its use exclusively should be placed under the ban of the law—1411.

*Pugsley, Hon. Wm.* (St. John City)—1411.

A gentleman dismissed by the government for an appeal on behalf of the flag—1411.

*Speaker, His Honour the*—1411.

At this stage hardly proper to carry on a debate—1411.

## VACANT SENATORSHIPS IN NOVA SCOTIA.

Inquiry—Mr. Wm. Chisholm—1576.

*Borden, Rt. Hon. R. L.* (Prime Minister)—1576.

The question of filling them is under consideration—1576.

*Chisholm, W.* (Antigonish)—1576.

Asks if the vacancies have been filled, if not when they will be—1576.

*Laurier, Rt. Hon. Sir Wilfrid* (Prime Minister)—1576.

Would have supposed the present government would have been in more haste to fill it—1576.

## VOLUNTEER BOUNTY ACT, 1908—AMENDMENT.

The extension of time to 1910, then felt that further time should be given—4974. This Bill extends the time to the 31st of December next. Provides for redemption at \$500 per certificate—4975.
