

*Business of the House*

**Mr. Fleming:** Will you allow me to state the question?

**Mr. Speaker:** Order.

**Mr. Fleming:** It is an important question based upon the authorities.

**Mr. Speaker:** Order.

**Mr. Fleming:** You gave me an undertaking that I could do that—

**Mr. Speaker:** Order.

**Mr. Fleming:**—and now you are denying me that right, a right of all members of the house—

**Mr. Speaker:** Order.

**Mr. Fleming:**—and you are doing it in defiance of what you said this morning.

**Mr. Speaker:** Order. The question is the following one:

In committee of the whole, Mr. St. Laurent (Quebec East) moved that at this sitting of the committee of the whole house on Bill No. 298, an act to establish the Northern Ontario Pipe Line Crown Corporation, the further consideration of clauses 1, 2, 3, 4, 5, 6, 7, the title of the said bill, and any amendments proposed thereto, shall be the first business of this committee and shall not further be postponed.

Mr. Fulton raised a point of order that the motion was not in order on the ground that certain clauses of the bill have not been before the committee and also that other clauses were postponed before being considered by the committee, and therefore, in accordance with standing order 33, the said clauses could not come within the ambit of the proposed motion.

The chairman ruled that in accordance with the rules and the practice of the house, the motion is in order. Whereupon Mr. Knowles appealed to the house from the ruling of the Chair.

The house divided on the question: Shall the ruling of the chairman be confirmed? And the ruling was confirmed on the following division:
