

## NOTICES OF MOTIONS AND QUESTIONS

---

*Mr. Martin* (Essex East)—On Monday next—INQUIRY OF MINISTRY—(No. 1)—1. Has St. Paul's Hospital, Saskatoon, or anybody acting on its behalf, advised the Government that it will be necessary to close the hospital unless government assistance is obtained in financing capital debt?

2. Has the Government received representations from St. Paul's Hospital, Saskatoon, or anybody acting on its behalf, requesting the Federal Government to include interest charges on capital debt in its payments on account of the Hospital Insurance Act?

3. If so, what reply has been made by the Government to such representations?

*Mr. Martin* (Essex East)—On Monday next—INQUIRY OF MINISTRY—(No. 2)—1. Has the Government received representations from the Canadian Automobile Association or any other body regarding a system of national highways for Canada?

2. If so, what reply has the Government given to these representations?

3. Has the Government taken any action towards calling a conference with provincial and municipal governments to consider the building of a national system of roads?

*Mr. Martin* (Essex East)—On Monday next—INQUIRY OF MINISTRY—(No. 3)—1. Has the Federal Government been notified by the Government of the United States that it is preparing a legal case against the Canadian Peat Moss Limited, of Vancouver, and other producers of peat moss in Canada?

2. Has the Canadian Government made any official objections to the United States Government, or taken any action to protect Canadian companies from being subjected to United States laws?

3. If so, what action has been taken in this matter?

*Mr. Martin* (Essex East)—On Monday next—INQUIRY OF MINISTRY—(No. 4)—1. Has the Government received a report or any information on the deliberations of the Foreign Relations Committee of the United States Congress on the question of the Chicago water diversion?

2. Has the Canadian Government made any further representations to the United States Government on the question of the diversion of Great Lakes waters since August 20, 1959?

3. If so, what reply has been received from the United States Government or any of its committees or agencies?
