Dr. W. H. Atherton,
51 Common Street,
Montreal.

My dear Dr. Atherton:-

Let me acknowledge receipt of your letter of July 19th and to say in reply that the Last Post Fund will most gladly co-operate with the Knights of Columbus in any ceremony appropriate when the latter body place a wreath on the Cross of Sacrifice in the cemetery.

Mr. Flaherty's suggestion is a very thoughtful one and I am sure the idea will be well received not only by the friends of the Last Post Fund organization, but by the citizens of Canada generally. As to any details to be decided upon, will you please get in touch with Mr. Arthur H. D. Hair, the Dominion Secretary, to whom I have spoken and who is quite prepared to co-operate in every possible way.

Yours faithfully,
