McGILL UNIVERSITY

REGISTRAR'S OFFICE.

MONTREAL. April 19th. 1920.

Dr. Adams, McGill University. Montreal, Que.

Dear Dr. Adams: -

I enclose a letter from Dr. Parmelee. From this, it would appear that he would expect a permanent appointment as Professor of Education. This, I presume, is not what is wanted.

I may add to the information contained in the letter, that Dr. Parmelee's pension would be \$2800.00, that he is now obtaining \$5000.00, and as he would not wish to have a lower income after retirement if possible, he would expect \$2200.00 at least for this position.

Hars very truly, Jaucholon Registrar. Yours very truly,
