Library School

Dear Sir Arthur,

May I recommend to Corporation that the Constitution of the Library Committee be enlarged to include a representative of the Library School in its membership?

As this Committee represents the various departments of the University especially interested in the Library, there is every reason for this proposed addition.

If this proposal is acceptable, may I suggest that (Mrs.) Mary Duncan Carter, Assistant Professor in the School, be appointed as the representative for 1928-29?

Faithfully yours,

G. R. Lomer

University Librarian.
