#### KELLEYITES PUT **COLLEGIANS AWAY**

Schneider Starts Well With Some Nice Hitting-On to Memphis, Tenn.

ARKADELPHIA, Ark., April 6 .- (Can. Press.)-Joe Kelley and his band of Toto Maple Leafs stopped off here today and played the local college nine an exhibition game; at least, it was billed as a game. The international Leaguers had the merriest kind of a time running bases, and Manager Kelley was tickled with the work, for it showed that the Leafs had at least wind. The score was 7 to 2, with the locals on the little end

Bradshaw again demonstrated that he will not do for Class AA. ball, and, while the only worked one innings, the sixth, he was the easiest kind of picking for the Bocal college boys, and it was the only pleasure that Arkadelphia had during the whole afternoon. Bradshaw was weak and wild. Castleton relieved him, but could hardly get the ball up to the plate. He gave the locals four hits and their only runs of the game during the time he was on the mound. The Leafs put in two good hours under a boiling sun at leating practice before the game.

The college pitcher handed out eight tree transportations and "beaned" two men. The Kelleyites had a picnic with the club and hit the ball hard. Schneider got in right with two nice raps. He was

With beautiful weather prevailing, and the rah-rah boys and girls out in force, Toronto burlesqued the game, and practically the entire squad had a try-out, including Schneider, who replaced Jordan the last half of the game. His work enhanced the favorable impression made at Texarkans. Score:

#### Death of Judge Post.

Word was received yesterday at the office of the Ontario Jockey Club of the death of Alfred S. Post, which occurred morning in New York. For years Mr. Post officiated as judge at meetings of the O.J.C., his last appearance at Woodbine Park being in 1907. He was a great favorite with owners of race horses and the public alike, and his decisions were never questioned.

doubleheaders in order to accommodate summer. There are only two vacant Sat and Sept. 12, when the ball teams are and Sept. 12, when the ball teams are away, the Leafs playing eleven week-ends at the island and the Waifs eight.

It is hinted that doubleheaders will go on the bill, and that also the Hig Four may be boosted to a six-club lacrosse circuit at the annual meeting in Montreal on April 25, the extra pair to be selected from Ottawa, Quebec and Cornwall. Irish-Canadians are worse off than Tecumsehs with no grounds at all, but Kennedy says they'll be in line all right.

Torontos and Nationals have nothing to worry even if the worst should come, and they were reduced to a lacrosse series of home and home games for the championship of the Dominion Lacrosse Union.

J. M. Cameron of the Athletic Lacroses Club of St. Catharines, is not in favor of granting permission to that club to play Sunday games in the United States. Mr. Cameron is opposed to such a scheme and had no part in suggesting it. He is, however, in favor of the substitution of players during the progress of games, and will give that amendment his support at the annual convention on Good Friday.

#### Sherrard Re-Elected President T. C. S.

# Of Harness Horses

BLENHEIM, April 6.—Ex-Mayor I., H. Edmonds, the well-known race horseman, has the fastest string of horses in his stable for the season of 1914 that he has ever had and a successful season is anticipated. At the head of the stable is Ritchie, 2.09½, and next to him Greatest Heart, 2.12¼, and the latest arrival is Earl Johnston, or Jack Johnston, as he is popularly called. a coal black five-year-old stallion, a full brother to Earl Junior, 2.01½, one of the very best in the United States. Great things are expected of Earl Johnston, as, the he only has a slow record, he has gone a mile in 2.05½ and is still pretty young. There is also a promising green gelding in the stable. Archie S., so that Mr. Edmonds and Driver Del Peters will likely have a busy time from now on.

#### T. Burns in Australia With String of Fighters

The Sydney, Australia, Evening News has the following:
Tommy Burns, the ex-champion heavy-weight boxer of the world, is in Sydney again. This time he is here as a manager, and he has Arthur Pelkey, a heavy-weight; Fritz Holland, a welterweight, and Lee Johnson, a featherweight, who is black, under his charge.

All arrived by the Oceanic Company's steamer Ventura, from America, and with them were Mrs. Burns and her two daughters, Mrs. Holland and Mike Comiskey, who is to train the boxers.

Jack Flanagan of the Newtown Olympic Club, for which Billy Howe secured the boxers soon after his arrival in America, met Burns and his party at the wharf and took the visitors to the club's stadium. After an inspection they went to Brighton-le-Sands Hotel, where Pelkey, Holland and Johnson will probably do their training.

#### Interesting Bits of Baseball Gossip

Heine Smith has a fine bunch of ball players signed up for that Erie team, and the Aliens will keep them all going. The pitching staff does not look the best in the league as yet, but it will be right. The rest of the gang can hit that old ball, and that is what gets games.

Jack Dalton, former Leaf, has nailed down a regular outfield berth with the Dodgers. He, Wheat and Stengel do not form such a bad combination, according to Boss Wilbur Robinson.

#### MAITLANDS WILL HAVE FIVE CLUBS

Junior Champions Will Play in Brooklyn-Hustling Northern Club's Annual.

That the north end of Toronto, like Cornwall and St. Catharines, is one of the homes of lacrosse, was evinced last night at the annual meeting of the Mathiand Lacrosse Club at the Century Baptist Church. Over fifty members and players were present, and enthusiasm was the keynote of the gathering. The outstanding feature was the announcement that the club would this season be represented by five teams in active : ervice. Two of these will be members of the O,A,L,A,, one in the senior and the other in the junior series. The remaining three teams will be in the Toronto League. The junior series of the Toronto League constitutes a section of the juvenile series of the O,A,L,A, so in reality there are three teams in the larger association.

The question of a trip to Brooklyn by the O.A.L.A. junior champions to play the O.A.L.A. decided to accept the date, June 27, offered by the United States team. The delegates to the O.A.L.A. convention were instructed to oppose the following amendments to the association rules, which will come up for discussion on Good Friday: 1. To allow O.A.L.A. teams to play in the United States on Sunday. 2. To have a referee and judge of play in the senior series. 3. To abolish the age limit in the Junior series. The remaining amendments were discussed, but it was thought advisable to leave it to the discretion of the delegates at the convention. The treasurer's report showed a balance on hand, despite the many trips made by the teams last season.

Officers were elected as follows: Hon. patrons, Mr. Walsh, G. T. Moore, A. V. Pickett, C. Cantwell, F. Sinkins, J. P. Scott, D. W. Robertson, A. E. Osler, D. C. Hossack, J.
