

For a Good Complexion

FOR Clear Eyes
—Sweet Breath
—Clean Tongue
—Calm Nerves
—Good Temper and
—Poise

Get a Cascaret whenever you suspect you need it. Carry a little 10c Emergency box constantly with you, in your Purse or Pocket.

When do you need one?

—When your Tongue is coated
—When you have Heartburn, Belching, Acid Risings in Throat.
—When Pimples begin to peep out.
—When your stomach Grows and Burns.
That's the time to check coming Constipation, Indigestion and Dyspepsia.
That's the time to take a Cascaret.

One candy tablet night and morning taken regularly for a short time, is warranted to cure the worst case of Constipation or Indigestion that walks the earth.
One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you.
Because 90 per cent of these ills begin in the Bowels, or exist through poor Nutrition.
Cascarets don't purge, don't weaken, don't irritate, nor upset your stomach.
They don't act like "Physic" that flush out the Bowels with a waste of precious Digestive Juice needed for tomorrow's Bowel-work.
No, they act like Exercise, on the Bowels, instead.

They stimulate the Bowel Muscles to contract and propel the Food naturally past the little valves that mix Digestive Juices with Food.
They strengthen these Bowel-Muscles by exercising them.
This stronger action, producing greater nutrition from food, brings back to the Bowel-Muscles greater strength for self-operation.
The Bowel-Muscles can, thus, in a short time, dispense with any Drug assistance whatever.
Cascarets are safe to take as often as you need them, while pleasant to eat as Candy.

Then carry the little ten-cent box constantly with you in your purse, and take a Cascaret whenever you suspect you need it.
One Cascaret at a time will promptly cleanse a foul Breath, or Coated Tongue.

A thousand dollars a year spent in amusements could not buy for you half so much hearty Happiness, solid Comfort, Cheerful Temper and Health Insurance, as that little ten-cent "Vest Pocket" Box of Cascarets will bring you.
All druggists sell them—over ten million boxes a year, for six years past.
Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC."
A sample and the famous booklet, "Curse of Constipation," Free for the asking. Address Sterling Remedy Company, Chicago or New York.

GORKY'S MISSION.

To Collect Money to Aid the Revolutionary Movement.

New York, April 13.—Maxim Gorky, the Russian patriot and revolutionist, who is now here, gave out this statement tonight:
"I have a slight pulmonary attack, but it neither causes me inconvenience nor embarrassment in my work. I have no apprehensions as to my condition. I am an enemy of Russia's government; I have been a revolutionist since I was 10 years of age, and have no apology to make for my attitude. I came to this country to collect money to help the Russian revolutionary movement. I shall soon celebrate my twentieth anniversary as a revolutionist.
"I came to America because it is the most democratic country on the globe, and I believe that Russia is destined ultimately to stand next to America as the land of democratic ideas."

Condemns Gapon.
Father Gapon, the Russian priest who made an effort to organize the workmen into revolutionists, was declared yesterday by Gorky, the Russian novelist and radical, to be a fakir.
He said: "Gapon, if he had been killed on the day of the massacres in Moscow, might have died a hero. Unfortunately he lived to be bribed and to betray the cause of Russian liberty. The Socialist-Democratic Bund, after he fled from Russia, made an investigation of his conduct, and found that he had accepted, thru a secret service officer of the government, 100,000 roubles from Witte himself 60,000 more, and from other sources \$9,000 more."

Government Endorsed.
Paris, April 13.—In the chamber of deputies a resolution of confidence in the government was adopted on a vote of 466 to 86, on a socialist interpellation demanding an amelioration in the conditions of the postmen, and recognition of their rights to federate.

BYLAW IS NOT DESIRABLE
COUNCIL ASKED TO RESIGN

Fort William Ratepayers Are in Favor of Permanent Water Supply Measures.

Fort William, April 13.—A public meeting called by the mayor for discussion of the proposed water supply bylaw was held last night in the city hall, which was packed to the doors.
Mayor Rutledge acted as chairman, and there were speakers on both sides of the question, whether the ratepayers vote on the \$125,000 bylaw now being advertised for a temporary supply from Crescent Lake, or to withdraw the bylaw and present another for \$300,000 for a permanent supply from Loch Lomond.
The mayor, councillors and commissioners were in favor of the temporary supply bylaw, and promised that if given time the present supply would be carried later to Loch Lomond. Citizens on the other hand, want the permanent supply bylaw, and expressed it in an emphatic manner in the meeting.
A resolution, which was carried by an overwhelming majority of those present, asked for the resignation of the mayor and town council if they do not withdraw the present bylaw and present the quarter of a million one.

GOOD-BY TO THE CARBINE.

U. S. Cavalry Being Armed With Rifle Like the Infantry.

Washington, April 13.—The war department has about completed the new issue of rifles to the troops in the United States.
This marks the passing of the carbine, so long a weapon of the cavalry branch of the service. Both infantry and cavalry are now being supplied with the same model of rifle, a modification of the model of 1903. This is about six inches shorter than the Krag, and about two inches longer than the carbine now being discarded by the cavalry. For the present the rifles are being used with the rod bayonet, but later they will be replaced in the new bayonet recently decided upon to be substituted. The issue to the troops in the Philippines will follow, and when that has been done all the soldiers of the United States army will be armed alike.

A GREAT VICTORY.

Jim McDonald's Opinion of Winnipeg Strike Settlement.

James McDonald, business agent for the Toronto Street Railwaymen's union, has returned from Winnipeg. He says the men out there have won a great labor victory, in that while the company had determined to stamp out the union, it is practically recognized in the agreement, which allows grievances of the men to be brought before the directors as a final resort.
Mr. McDonald attributes the early ending of the strike solely to the efforts of the ministerial committee, to whom the citizens there should be truly thankful.

The increase in wages granted the men is two cents an hour, making the rate for the first six months 21 cents an hour; second six months 22 cents; second year, 23 cents; after that, 26 cents.
In order to make the appearance of providing a service, Mr. McDonald says people were hired during the "strenuous days" to ride on the cars. One woman told him she had refused \$25 for such work.

BIBLE TRAINING SCHOOL.

The next of the monthly lectures on subjects connected with the return of our Lord will be delivered in the Bible Training School by Rev. P. S. Weston, B.A., on Monday evening, at 8 o'clock. Subject: "The Practical Influence of the Blessed Hope."

The National Trust Co. has applied for letters to administer the estate of Gabriel Aceri, an Italian fruit dealer, who left no will and whose estate is valued at \$3000. It is subject to a mortgage to the York County Loan, now held by the Toronto Life, on which is owing \$100, and another of \$1000 to James S. Lovell.

CARNegie's RETINUE.

Ottawa, April 13.—When Andrew Carnegie comes in April to open his new library here he will be accompanied by a distinguished coterie of friends, including Col. J. J. McCork, barrister, New York; William Guild, editor of The Century Magazine, Dr. Nicholas Butler Murray, president of Columbia College, St. Andrew's Society will present Mr. Carnegie with an address.

AMENDING CHARTER.

Albany, April 13.—Mr. Foelker introduced a bill in the assembly to-day, amending the charter of the Niagara, Lockport and Ontario Power Co., by striking out the authorization to take water from the Niagara River.

A Side View.

The Pilgrim banquet lately given to the suave Lord Grey. Has brought our "cousins" cross the waves to meet in self-same way. Naught can be done, sans guzzling, it enforces one to think.
What lachrymose affection is induced by meat and drink.
The Stars and Stripes with United Jack are promptly then entwined.
And "Hands Across the Sea" is sung with fervor when one's din'd; While afterwards we slumber down and call each other names.
Until the mighty once again tempt gormandizing games.

Strike Continues.

A BROKEN-DOWN SYSTEM.

This is a condition (or disease) to which doctors give many names, but which few of them really understand. It is simply weakness—a broken-down, as it were, of the vital forces that sustain the system. No matter what may be its causes (for they are almost numberless), its symptoms are much the same: the more prominent being sleeplessness, sense of prostration or weariness, depression of spirits and want of energy for all the ordinary affairs of life. Now, what alone is absolutely essential in all such cases is increased vitality—vigour.

VITAL STRENGTH & ENERGY

Guelph's Water Analyzed.

Guelph, April 13.—(Special).—Medical Health Officer Robinson has received the result of the special analysis of specimens of Guelph water submitted to Dr. Amyot, provincial specialist. Eight of the specimens were collected from various wells around the city, while the ninth was the sample from city waterworks. It was found that the city water was much superior to the well water, even at its best, and out of the eight wells examined only one was found free from chemical matter.
