

The Second or Superior Maxillary Division of the Fifth Cranial Nerve	143
The Pharynx	144
The Cavity of the Pharynx.	146
The Soft Palate	147
The Nasal Fossae	148
The Larynx	150
The Cavity of the Larynx.	153
The Thyroid Gland	153
The Trachea in the Neck	154
The Oesophagus in the Neck	154
The Tongue.	154
The Lymphatics of the Head and Neck.	155
The Organ of Hearing	156
The Middle Ear	156
The Internal Ear or Labyrinth.	158
The Intra-Petrous Portion of the Facial Nerve.	159
The Eyeball	160
The Brain.	161
The Dura Mater.	161
The Arachnoid Mater	163
The Pia Mater..	163
The Arterial Supply of the Brain.	163
The Lobes, Convolution and Fissures	165
Fissures and Convolution on the Outer Surface of the Hemisphere.	166
Fissures and Convolution on the Mesial Surface of the Hemisphere.	167
The Corpus Callosum..	168
The Lateral Ventricle.	169
The Third Ventricle	170
The Basal Ganglia	171
The Mid Brain	172
The Hind Brain	173
The Medulla	173
The Fourth Ventricle.	174
The Cerebellum.	175
The Spinal Cord and its Membranes.	176
The Spinal Cord	177
