

- Larynx**, stenosis of, in laryngeal tuberculosis, 635
 treatment of, 461
 by dilatation of the stenosis, 669
 operative, extralaryngeal, 668
 intralaryngeal, 668
 syphilis of, 633, 636, 637, 650-661
 inherited, 659-661
 primary, 650
 secondary, 650
 tertiary, 652
 tracheotomy as preliminary to certain operations on, 775
 tuberculosis of, removal, 646
 tuberculosis of, 629-650. See also *Tuberculosis*, laryngeal
 ulceration in tertiary syphilis, 653
 treatment, 658
 ventricle of, 517
 Leduc's auto-insufflator, 647
Leprosy, diagnosis of, 474
 invasion by, 471
 laryngeal, symptoms of, 473
 nasal, symptoms of, 472
 pathology of, 471
 pharyngeal, symptoms of, 472
 treatment of, 475
 Lewis and Turner, micro-organisms in healthy nose, 9
Lingual goitre, 448
 tonsil, hypertrophy of, 444
 inflammation of, acute, 445
 chronic, 445
 varix, 447
Liniments, stimulating, in diphtheritic paralysis of crico-thyroid muscles, 729
Lipoma nasi causing deformity of bridge of nose, 186
 of larynx, 595
 of pharynx, 362
Listerine, use in atrophic rhinitis, 51, 52
Liver, cirrhosis of, cause of epistaxis, 180
Lotions, application, in acute tonsillitis, 412
 douching with, in atrophic rhinitis, 50, 51, 52
 for syringing throat in diphtheria, 493, 494
 for washing out antrum in empyema, 217, 218
 formulæ for, 790
Lucilia hominivora, eggs of, deposited in human nostrils causing myiasis, 177
 Luc's ethmoidal forceps, 111
 Ludwig's angina, 454, 456, 458, 462
Lungs, diseases, chronic, causing passive congestion of larynx, 558
Lungs, examination in doubtful laryngeal tuberculosis, 637
Lupus, diagnosis from nasal lesions of congenital syphilis, 169
 from tuberculosis, 636, 637
 of congenital syphilis of pharynx from, 385
 of tertiary syphilis of pharynx from, 380, 381
 nasal, 148, 150
 ætiology, 150
 morbid anatomy and pathology, 151
 primary, diagnosis from nasal epithelioma, 146
 treatment, 152, 153
 of larynx, 474, 636, 637
 of pharynx, 370
 ætiology, 370
 diagnosis, 372
 morbid anatomy, 370, 371
 prognosis, 372
 sex incidence, 370
 treatment, 372
 local, 372
 Luschka's tonsil, 304
Lymphatic glands, cervical, tuberculosis of, association of retro-pharyngeal abscess with, 556
 enlargement in diphtheria, 488
Lymphatics of nasal fossæ, 7
 communication with perimeningeal spaces, 7
 with tonsils, 7
Lymphatism, mild type of, 309
Lymphoma of larynx, 595
