

## NOTE.

---

THIS Tract is republished from the *Canadian Presbyterian Magazine*, in which it appeared in successive numbers. The Author has availed himself of the matter being in type, to throw off an edition in this form, which can be sold at a lower price than could have been the case otherwise. He is aware of its imperfections, arising from brevity of discussion on such an extensive subject, and also in other respects; but, as his desire is to do good, rather than to court literary notice, he hopes that his "labor will not be in vain in the Lord."

May God give His blessing on this effort to advocate His own cause.
