

order. The balance will then be applied as the Stockholders may direct. The whole proceeds from the sale of Treasury stock will be expended in the development of the quarry, and otherwise improving the property connected therewith. The works are now in operation, and it is confidently expected that a dividend will be paid in about three years on the par value of all stock then issued.

Intending purchasers of stock are respectfully invited to visit the quarry, and judge for themselves. Any further information may be obtained on application to Mr. Benjamin Walton, manager of works, and other officers of the Company, or to any members of the Board of Directors.
