This Vest Pocket Camera Makes Postcard Size Pictures

You will find the Ensignette a totally new idea. It is built entirely of metal. This reduces the size to a minimum. Although you can slip the camera easily into your vest pocket, yet you can make good, clear postcard size pictures with it.

The secret is in the lens and the method of printing. The Ensignette Achromatic Meniscus (really three different lenses together) makes a negative much sharper and clearer than an ordinary one. Every detail is recorded.

Then you use the Ensignette Printing Box, instead of a printing frame. There is a powerful magnifying lens in the box, through which the negative is printed. There is no extra work. Just put the negative in at one

end and the postcard at the other. Prints made with the Ensignette will be a revelation to

United Photo Stores, Limited 15 Adelaide St. East, Toronto

you. Come in and see this new camera.

Property Owners Affected Willing to Pay 25 Per Cent. of \$350,000 Project.

nimously in favor of the extending of Victoria-street from Gerrard-street to Carlton-street. A petition signed by property holders who will benefit by the extension, and who are willing to contribute \$90,000 of the cost, was presented to the committee yesterday afternoon with a letter from the asessment commissioner, who strongly sessment commissioner, who strongly favored the work. He estimated that it would cost about \$350,000. The amount which the petitioners offered to contribute was a little more than 25 per cent. of the total according to his estimate. He was instructed to confer with the city engineer and bring in a report from both as to the actual cost of extending the street.

The city treasurer and city engineer

cost of extending the street.

The city treasurer and city engineer reported favorably on the request of the Construction and Paving Company for a return of some \$40,000 draw-backs on guaranteed work on their substituting a guarantee bond, and the majority of the committee sent it on. The bonds must be approved by

The motion of Ald. Dunn to have the scavengers paid two weeks extra wages each year in lieu of two weeks' holidays was sent on to the board of

control.

The proposal to extend Sackville-street to Front-street was shelved, and

one to round the corner of Cherry and Eastern-avenue substituted. The cost of the former would be about \$10,-000, and the latter \$300.

S. Morley Wickett suggested to Park Commissioner Wilson that the city extend Eastern-avenue from its present terminus on Trinity-street to Front-street. Mr. Wilson sent the request on to the works committee, and quest on to the works committee, and it was referred to Assessment Com-missioner Forman and City Engineer Rust for a report. It is expected that the extension, if made, would cost the city \$22,000.

city \$22,000.

Ald. McBride's motion to have the three-inch letters on city autos and buggies removed, and the city's crest substituted therefor went down to defeat after a rather acrimonious discussion participated in by Ald. McBride, Ald. Dunn and Ald. Hilton.

The street commissioner was re-

The street commissioner was requested to proceed with the filling in of the Sylvan-avenue gully and the projection of the street.

GRATEFUL AND COMFORTING

CITY AND RAILWAY CONFER

Toronto's Share of Cost of Grade Separation Under Consideration.

City Engineer Rust and City Railway Engineer Cousins have been 'n conference with Messrs. Fitzhugh, Kelly, Brownlee and Robb of the Grand Trunk Railway with reference to the adjustment of the charges the city has to pay for the grade separation work west of Bathurst-street. The Grand Trunk has already spent \$600,000 on the work, chiefly in the purchase of the town, in broad daylight. He was discovered by Mr. Hoskin and ordered out. He went, and Mrs. Hoskin fourd that a quantity of jewelry was missing. Mr. Hoskin shadowed the man until he was placed under arrest by Chief of Police Rose. He was brought before Police Rose. He was brought before Police Magistrate Boggs and remanded until next Wednesday.

Found Wife Lying Dead.

COBOURG, April 7.—(Special.)—William McGraw of Vernonville returned home to suppor and found his wife the work, chiefly in the purchase of the conference with the fight of day for the free medicine. City then the work, chiefly in the purchase of the town, in broad daylight. He was discovered by Mr. Hoskin and ordered out. He went, and Mrs. Hoskin fourd that a quantity of jewelry was missing. Mr. Hoskin of the served a strictly harmless, yet never failing our for this distressing disease, and to make known its merits they will send a point of the work of The World. This remedy also curse frequent desire to uninate and liability to control urine during the night but a dangerous disease. The C. H. CURE WEAKNESSES THAT WRECK YOU.

Not a Dollar Need to be Paid Until You Are Cured. WORN-OUT, NERVE-TIRED, **EXHAUSTED PERSONS**

Do you feel tired in the morning and easily exhausted ? ls your back weak? Is your memory failing? Do you have difficulty in fixing your thoughts? Are you losing ambition? Do you feel that you are not like you once were? Do you have hot flashes up and down the spine or sudden faint spells, especially after eating? Have you palpitation of the heart? Dull headaches, pain at the base of the brain, sudden spells like fright from no apparent cause? Are you very restless or sleepless at night? Are you nervous and irritable, with a feeling that you want to be alone? Are you gloomy, with the sense of some great oppression upon you? If so, then you need my treatment. If you have any or all of the above symptoms, you sure-

ly do not desire to remain so. Let me explain to you my methods of rebuilding the strength of men, and refer you to the thousands I have cured.

DISCOURAGED PEOPLE DON'T GIVE UP

I invite in particular all men who have become dissatisfied with treatment elsewhere. I will explain to you why you have not been cured, and will prove by actual benefit why I can cure you safely, quickly, and for life, when I ask all men who are afflicted, who really desire a

cure, to honestly investigate my original and strictly modern, scientific methods of treatment. A private consultation, a thorough personal examination, will cost you nothing, and a perfect cure (if you decide to engage my services) will not be more than you will be willing to pay for the benefits I will give you. I will do by you as I would want you to do by me if our cases were reversed.

CONSULTATION AND EXAMINATION FREE.

Back of my cure is the use of the strongest and most potent healing force in the world, ELECTRICITY. Prolonged study and experiment have enabled me to harness this vital, life-giving, magnetic power—the basis of all animal vitality—to a scientific method of healing mankind of its weaknesses.

WHAT THE CURED SAY. Dr. McLaughlin : Newark, Ont.

Dear Sir,—I am perfectly satisfied with your Belt. It is a good Belt, and I would not be without it for anything. It dured me of my urinary troubles and nervousness, and my stomach is also all right. Yours very truly.

G. W. SMITH.

Dr. McLaughlin: Erin, Ont. Dear Sir,—I have worn one of your Belts for two months, and must say that I feel much better and stronger in every way. It has done me a great deal of good, and I can heartily recommend it to auyone who is weak, or whose system is run down. Yours very truly, RCBERT ARMSTRONG.

DR. McLAUGHLIN'S ELECTRIC BELT

is the grandest remedy of the twentieth century for renewing lost vitality. From the start, the use of the Belt alleviates pain. Into every fibre and particle of your being it pours the foundation of new life, new energy, new strength-ELECTRICITY. People who were old, worn out and faint from weakness and pain when they first came

to me tell me they feel from ten to fifteen years younger. Their gratitude is unlimited. My treatment turns gloom into joy, sickness into health. If you are weak and puny, feel despondent and unable to attack the problems of life with that strenuous energy which spells victory, I can reverse all this and make you feel as well as ever.

If you are skeptical, all I ask is reasonable security for the price of my Belt, and

IT COSTS YOU NOTHING UNTIL CURED.

It's as good for women as for men. Worn while you sleep, it causes no trouble. You feel the gentle heat from it constantly, but no sting, no burning, as in old-style belts.

Send for My Book To-day.

Do you went to feel big, husky and powerful, with your veins full of youthful Ere your eye clear, and your muscles strong and active ' If you do, fil' out this coupon and send it to me, and I will send you a book which will inspire you with the courage to help yourself. It is full of the things that make people feel like being strong and healthy, and tells of others like yourself who were just as weak once, but are now among nature's best specimens of strong and healthy human beings. Cut out the coupon and send it to-day and get this book free, se d, by return mail. Call for free consultation. Office hours, 9 a.m. to 6 p.m. Wednesday and Saturday till 8.30 p.m.
