

Missionary schemes of our Church. In view of the growing expenditure both in the Home and Foreign fields, the hope may be expressed that this Congregation will ever be found ready to do their part in giving of their substance for the spread of the gospel in foreign lands, as well as in the new and more sparsely settled districts in our own land.

LADIES' VISITING AND AID SOCIETY.

From the Report of this Society which will be found appended, it is gratifying to note that the ladies of the Congregation take an active interest in its work, which is a most important one. The main object sought to be accomplished is, of course, the relief of those requiring aid in our own Congregation, as well as the visitation of the aged and infirm among our people. While caring for those of our own household, outside claims have not been overlooked, donations of money and material having been given to Nazareth Street Mission School, and subscriptions in cash to the Ladies' French Evangelization Society and the French Protestant Mission in Namur. The Treasurer reports the sum of \$126.49 as having been expended, and a balance in hand of \$8.30.
