TORONTO, July 12 .- Never before in he history of Orangeism in Ontario was the anniversary of the Battle of the Boyne celebrated with more lively interest than was the case today in many centres, and larger parades than usual marked the various demonstrations. Many cities and towns held celebrations, and specially big Orange processions were reported at Peterboro, Sarnia, Belleville and Owen Sound. In Sarnia, Believille and Owen Sound. In Toronto the paraders numbered more than 8,000, which was a record for "the Belfast of Canada," as this city was called by Mayor T. L. T. R. Ferguson, K.C., of this city, said he believed that an effort was being made by the Catholics to obtain control of the Imperial Order of the Daughters of the Empire. The scheme, he said, had led to the trouble between Lady Kingsmill and Mrs. A. E. The fight on film

Dental science has found a way to combat film on teeth - the film that dims teeth and destroys them.

Film is that viscous coat you feel. It clings to teeth, enters crevices and stays. The ordinary tooth paste does not dissolve it, so brushing has left much of it intact. And very few people have escaped its damage.

It is the film-coat that discolors, not the teeth. Film is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea, which attacks 95 in 100.

Now, after years of research, a way has been found to combat it. Able authorities have amply proved its efficiency. Leading dentists everywhere now urge its daily use.

PARADE FIVE MILES LONG.
SARNIA, July 12.—More than 18,000 Canadian Orangemen took part in the big international celebration of the Glorious Twelfth in Port Huron today. It is estimated from the details of the lodges which participated in the big five-mile long parade that nearly 23,-000 Orangemen and their friends marched from Military street to Pine Grove, where programs of speeches and sports were carried out.

Rev. W. H. Graham of Stratford presided, and after welcoming the American and Canadian delegates, declared that the principles of the order are still the same and the confidence of Orangemen in the justice of these principles as great as ever. The difference between the principles of the two great parties represented by the Orangemen and those opposed to them he claimed are as great as the differences between two gods.

Speaking briefly of the so-called Irish Republic, he said that he was glad to know that the United States did not want an Irish Republic, as evidenced by the fact that neither party had accepted such a plank in its platform.

Urged Aggressiveness.

Rev. C. F. Clarke expressed pleasure at the great success of the celebration, and urged his hearers to a great aggressiveness in the interests of truth and Protestantism.

Wm. McLean Doig. Port Huron, paid a tribute to the part that the Orangemen of Ontario had taken in the great war. He did not believe that the United States would ever recognize such a thing as an Irish republic. "We do not forget that while Canadians, Scotchmen, Englishmen, Frenchmen and Americans were conscripted for the war, the Irish were the only people who escaped conscription and who, while the war was on, gave such aid as they could to the Huns. Yet these people want to be given self-government." In concluding he advocated one school, one flag, one law and one language.
