EVERYTHING GOES UNDER THE HAMMER!

OUT THEY GO THIS IS FINAL NOT A PIANO OR PLAYER PIANO CAN REMAIN

The Great Closing Out Sale Has Reached Unheard of Proportions. Saturday Tells the Story. Pianos Are Selling Right and Left. New Pianos Reduced \$100 to \$125. Terms Are Down.

CASH PIANO BUYERS HERE IS YOUR CHOICE!
Cash is the angel of the Piano business. We are very frank when we say that we want just as much cash as we can lay our hands on, and we mean every word of this. If you have any amount of cash saved up to put into a Piano, put this money in your pocket and come here to this sale with it. Come here with the money and come prepared to be astounded with the values that we have to offer. To get cash we have to cut deep into the hearts of the prices. We realize this, and therefore when you produce the real coin we will talk prices that will stagger you. Come here to this sale today, tonight, tomorrow. But the point is here whether you fall or falter.

PIANO BUYERS OF THE MARITIME PROVINCES.
A cheap piano would be dear at any price, but when you see such pianos as "Amberst", "Gerhard Heintzman", "Sierlock Manning", "Kauffmann", "McDonald", "Augustus Bass", and scores of others at prices like we offer, the very names on the Pianos themselves mean a life time of service. The AMHERST Pianos and Players are acknowledged as the very best that money can produce. The mere fact that we cut these prices does not affect the prices one iota. For instance, here we have a real genuine \$850 "Gerhard Heintzman" Piano that we have cut down to \$225. Can this price reduction hurt the Piano? Does it for an instant detract from the quality of the instrument? Certainly not. Come here at once. These piano bargains cannot and will not last forever. Any piano in the store will be sold on easy terms.

A Sure Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common, liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger-tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

Affection.

"Pa, what is affection?"
"Affection, my boy, is carrying three extra tires on an automobile that never gets more than four blocks away from a garage."
