

THE EVENING TIMES-STAR, ST. JOHN, N. B., WEDNESDAY, FEBRUARY 6, 1924

DEATHS

Manfred L. Daggett.

St. Stephen, Feb. 5.—The death of Manfred Loring Daggett of Grand Manan, occurred at Chipman Memorial Hospital early this morning.

Mr. Daggett was 53 years of age and was in the fishing business on the island. He was a very prominent citizen, having a host of friends both young and old. In politics he was a strong Conservative.

About three weeks ago he came to the hospital where an operation was performed. It was seen then that little could be done for him and he gradually became weaker. His wife was at his bedside to the last. Besides his wife he leaves five daughters, the youngest being only about eight months old, two sisters, Mrs. Bryant Chaplin, of Boston, who has been with him during his illness, and Mrs. S. W. Irons, of Moncton, who was here only a few days ago.

He was a brother of the late Mrs. Craig, second wife of Samuel Craig of this town. The body will be taken to Grand Manan tomorrow. The funeral will probably be held Thursday afternoon.

Mrs. Gertrude H. Jones.

Word was received here yesterday of the sudden death in Prince Rupert, B. C., of Mrs. Gertrude H. Jones, widow of Randolph K. Jones, of Woodstock, and mother of Hon. Wendell P. Jones, K. C., also of the latter town. Mrs. Jones died on Feb. 4 at the home of her daughter, Mrs. Walter S. Fisher. She was formerly Miss Raymond and was of United Loyalist descent. She was 79 years of age.

Mrs. Jones is survived by two sons and three daughters, including Hon. Mr. Jones, Mrs. Fisher and Thane M. Jones, to whom the sympathy of a wide circle of friends will be extended.

Mrs. Austin Casey.

St. Stephen, Feb. 5.—(Special).—The many friends of Mrs. Austin Casey, of Calais, learned with much regret of her death at the Chipman Memorial Hospital last night. Mrs. Casey was formerly Miss Marjorie Morrell, daughter of Mr. and Mrs. John Morrell, of Calais. She was about 25 years of age.

BRONCHITIS

Leaves a bad cough. So does "flu" and is gripe. But these lingering coughs yield easily to the healing and remedial qualities of **CHAMBERLAIN'S COUGH REMEDY**. Every user is a friend.

Mrs. Patrick McMain.

Very many friends will hear with regret of the death of Mrs. Isabelle McMain, wife of Patrick McMain, of 85 Thorne avenue. Mrs. McMain was a daughter of the late Thomas and Isabelle Reid, and had been a life-long resident of St. John. She was a devoted member of St. Andrew's church and highly regarded by all who knew her. Besides her husband she is survived by one sister, Mrs. Amelia Scott, of Roxbury, Mass., and one brother, William, at home. The funeral will take place on Friday afternoon from her late residence.

The Late Mrs. J. S. Fairweather.

Mrs. John S. Fairweather, whose death occurred yesterday afternoon as the result of burns received, is supposed to have been making up the kitchen fire and have had her clothes ignited by a spark. She was found leaning against the couch as if she had attempted to lie down.

Mrs. Fairweather was a sister of John Dallas of Campbellton, who was a brother-in-law of John Orr, who was killed at Long Wharf on Monday.

An investigation made by the detective department in the case resulted as follows: A woman who resides just across the alley noticed a flash of flame in Mrs. Fairweather's kitchen, but it was only for an instant. Becoming alarmed she proceeded across the alley and looked into the kitchen window, but seeing nothing there returned home. A little later she discovered smoke coming from under the door. A man named White appeared on the scene, and opening the door was met with dense smoke. Going through the kitchen he found the burned body of Mrs. Fairweather and threw some water on her as well as on the couch and the floor which was

on fire. About this time some person sent in an alarm from box 125, but the fire had been about extinguished on the arrival of the firemen.

The clothing of the woman had been burned off her body, the couch was almost destroyed, and there was a large hole burned in the oilcloth near where the body of the woman was found.

Mr. Fairweather, her husband says that his wife, who had not been very well, had the habit of standing in front of the kitchen stove and spreading her hands over the stove when she felt cold.

It is believed while in this position a spark from the stove ignited her clothing which immediately burst into flame and that it was this flare of fire that the woman, residing across the alley saw. It is thought that Mrs. Fairweather, finding her clothes on fire, rushed with fright into an adjoining room where her body was found.

Coroner Horace A. Porter was summoned and after making an investigation decided that an inquest was unnecessary.

Mrs. Fairweather was born in England 42 years ago and has one sister residing there. She leaves also two sons, Brenton, of Halifax, and Gordon, of Boston. Besides her husband and brother, Mr. Dallas, she leaves three sisters in this country, Mrs. William Edgett, of St. Martins; Miss Elizabeth Dallas, of West St. John, and Miss Annie Dallas of this city. She was a soldier in the Salvation Army, belonging to No. 1 corps. Adjutant W. G. Davis of Charlotte street will officiate at the funeral service.

H. R. McLELLAN LIKELY TO RUN FOR MAYORALTY

H. R. McLellan, former Mayor and city commissioner, said last evening that, although at present the probability was that he would be a candidate for either the mayoralty or a commissionership at the forthcoming civic election, he was not yet in a position to make any definite announcement. He expected, however, that within the course of the next few days, he would be able to say whether he would throw his hat into the ring.

A. Y. P. A. REORGANIZES.

The Anglican Young People's Association of St. Luke's church, was re-organized last night at a largely attended meeting. Bert Flewelling, vice-president of the Young Men's Club, was in the chair. Officers were elected as follows: Honorary president, Rev. C. P. Heaven; president, Miss Daisy Belyea; vice-president, Cecil B. Williams; secretary, Miss Marian Porter; treasurer, Bert Flewelling; press, R. Edgar Adams; committees, were appointed as follows: Programme, Usher Dunlop, Miss Dorothy Belyea, George Green, Pearley Nasse, Arthur Warwick; social, Miss Ruth Philbrick, Miss Margaret Higgins, Miss Mildred Morrison, Edward Glass and Charles Rourke; missionary, Miss Mary Stewart, Miss Evelyn Watkins, Miss Helen McMullin, William Seely, and Joseph Henley; musical, Miss Roberta Craft, Miss Margaret Higgins, Miss Muriel Hawker and Charles Rourke. It was decided to have a social meeting next Tuesday. Mr. Heaven pronounced the benediction.

BAND CONCERT FOR PATIENTS

The City Cornet Band under the direction of Bandmaster Frank Wadlington gave an excellent concert programme in the East St. John Hospital last night and the patients and staff expressed their hearty appreciation. Miss Terrell gave vocal solos that were much enjoyed. The band promised to give another concert next year.

HUSBAND AND WIFE PRAISE DRECO

Mr. and Mrs. Alfred White Speak Highly of Dreco, the Famous Corrective For Digestive Ailments.

Mr. Alfred White, who is a prominent farmer of Burr's Corner, N. B., found such wonderful relief in Dreco, so too, Mrs. White.

Says Mr. White: "I was in bed for over two months with rheumatism and the pains in my back were so severe at times that I could hardly bend over. I have only taken four bottles of Dreco, but it is the first time in ten years that I can say that I feel like myself again. The pains in my back are entirely gone and my appetite has very much improved."

"My wife and myself are both feeling 100 per cent. better. Mrs. White was very nervous and could not sleep before taking Dreco, but she now sleeps like a child."

"Dreco also put an end to severe stomach trouble and constipation, from which we both suffered for years, and we both recommend Dreco very highly."

Dreco contains no mercury, potash or habit forming drugs. It is a natural remedy made from herbs, roots, bark and leaves.

Dreco is being specially introduced in St. John by Ross Drug Co., 100 King street; Moore's Drug Store, 105 Prince Edward street; F. W. Munro, 357 Main street, and in West St. John by Watson R. Dunlop. It is also sold in Fairville by T. H. Wilson, and by a good druggist everywhere.

K. G. HARVEY IS INJURED IN FALL

The ambulance was called to No. 2 berth, Sand Point, at 8:30 o'clock last night because of an injury received by Kenneth G. Harvey, a longshoreman, who was working on the ship discharging cargo there. Mr. Harvey, who resides at 69 Queen street, was knocked off the gangway when a sling became entangled in a freight truck. The man was thrown to the wharf, a distance of about 10 feet, and received a severe injury to one of his hips. He was conveyed to the emergency hospital where he was attended by Dr. B. Johnston, and was then conveyed in the ambulance to his home, owing to the fact that the General Public Hospital is overtaxed with patients.

DEBATE SPORT RESOLUTION.

The young men of Knox church have formed a debating club to discover what material is amongst them for taking part in inter-church debates. Last night two teams debated the resolution that summer sports are more beneficial than winter sports. The affirmative was supported by Garfield Barton and David Legate of the negative. The resolution to be discussed will be that the commission form of government is more beneficial for St. John than the city manager form.

There's FISH to stuff and FISH to bake. There's FISH to broil just like a steak. There's FISH for chowder and to fry. Or any way you care to try.

EAT MORE FISH

"Bill" Hughes

The famous coach of Queen's University football team, the champions of the Dominion, 1922 and 1923.

ARE YOU FIT?

If not, here is the secret!

This is the advice of two of Canada's foremost athletes and trainers of real men.

Mr. Hughes says:

"I heartily subscribe to the beneficial results obtained by including fish as a regular item on the weekly training table programme of athletes."

"It has seemed to me that not only does Fish afford a welcome change from the ordinary diet of meats—but that its strength is assimilated by men in training with comparative rest to their digestive organs."

"This is no small factor in keeping from going stale under the pressure of hard work. After all, physical fitness means keeping in order every part of a man's physical make-up."

Dr. Donnelly says:

"From a medical standpoint, I would like to say that the sooner the country realizes what a valuable asset to the health of the community the consumption of more Fish and less meat would be, the better the general health of the community will be. I really think that many disease conditions prevalent in our communities are directly due to inefficient feeding of the individual, and a more regular use of Fish might help to control many incidental conditions of digestive disturbances now so prevalent amongst our people."

Dr. "Joe" Donnelly

Honorary Coach of Loyola College, who has guided the team in winning the Quebec Intercollegiate titles and also the Quebec Interprovincial and Dominion Interprovincial titles during 1922.

COCHRANE CASE STILL LIVE ONE

Moncton City Council to Withdraw Support From Labor Office

Moncton, Feb. 5.—The dismissal of David Cochrane, superintendent of the local employment bureau was brought to a head last night, as far as the City Council was concerned, when the council passed a resolution giving notice to Premier Veniot that at the expiration of 30 days the city would no longer pay anything towards the upkeep of the Moncton bureau, on the ground that the city was being denied a voice in regard to the administration of an office to the upkeep of which they have been contributing. The motion was passed unanimously, with only one absentee from the board, Ald. Wheeler being unable to be present. Another resolution was passed unanimously notifying the Provincial Government that the city would no longer pay anything towards the upkeep of the bureau and equipment belonging to the city and now in the employment office, or the city would call upon the local government at the invoice price. The value of the equipment and furniture runs into several hundreds of dollars. During the course of the discussion Ald. Nickerson asked what stand if any the representative for the city, Hon. Clifford W. Robinson, had taken in the matter and whether he had done anything as the Premier was determined in his course. In reply to a question by one of the citizens present

Mayor Edgett stated he thought Hon. Mr. Robinson was not to blame for what had been done but he thought he was to blame for not stopping it. Later the Mayor stated that Hon. Mr. Robinson has disclaimed any knowledge of what was being done. At a meeting of the Central Relief

Committee, a resolution was passed affirming confidence in Mr. Cochrane for his work in connection with the relief of the poor of the city and in connection with his work in the local employment bureau as superintendent. The resolution was moved by Mrs. A. E. Killam.

NAME McKINNON FOR MODERATOR

Toronto, Feb. 5.—The Toronto Presbytery today nominated Principal Clarence McKinnon, of Pine Hill Theological College, Halifax, for moderator of the Presbyterian General Assembly.
