REV. DR. SPRAGUE TALKS OF THE WAR SITUATION

(Sackville Post.)

Last evening a number of Sackville women met at Government House. As many as could be summoned by telephone or otherwise were notified. The feature of the evening was an address by Dr. Sprague, which was much appreciated.

Dr. Sprague very clearly reviewed the events leading up to the present war, which the speaker declared, may prove to be the most awful, the most disastrous in the world's history. He referred to the three wars, so carefully planned and carried to a successful issue by Bismarck. The war with Denmark which resulted in the acquisition of Schleswig—Holstein by Germany, the Kiel war with Austria which culminated in Sadowna, and the war with France, which stripped that country of Alsace and Lorraine—and engendered an unending hatred between France and Germany.

Referring to the German Emperor, Dr. Sprague said he had no doubt the Kaiser conscientiously felt that by Divine Right it was his duty to rule over the greatest country in the world, and at the present crisis he has ordered his people to assemble in the churches and pray for God's blessing.

Reference was made to the late King Edward's splendid statesmanship, in bringing about the Triple Entente. Extracts were given from a speech of ex-Premier Clemenceau of France in which he characterized as impudence the German Emperor's assertion that "the war was forced upon her by her envious neighbors."

It was a matter of congratulation that brilliant statesmen were at the head of the affairs of the British Empire such as Mr. Asquith, Sir Edward Grey and Winston Churchill.

Of Winston Churchill the speaker said he must have had a marvelous pre-arrangement or the hand of Providence was being guiding him—resulting in the assembling of that vast fleet reviewed by King George so recently, and which struck with awe the beholders who were of all nationalities.

In the conclusion Dr. Sprague spoke of what defeat would mean to the British Empire.

But he declared we all have unbounded faith in the British navy—and upon that very much depends in the present crisis.

How to Destroy The Dandruff Germ

BY A SPECIALIST

That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature grey hair, is a well known fact, but when we realize that it is also indirectly responsible for many of the worst cases of catarrh and consumption, we appreciate the importance of any agent that will destroy its power. We are, therefore, particularly pleased to give herewith the prescription which an eminent scientist states he has found, after repeated tests, to completely destroy the dandruff germ in from one to three applications. It will also almost immediately stop falling hair and it has in numerous cases produced a new hair-growth after years of baldness. This prescription can be made up at home, or any druggist will put it up for you; 6 ounces Bay Rum, 2 ounces Lavona de Cosmopone, one-half drachm Menthol Crystals. Mix thoroughly, and after standing half an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger-tips. If you wish it perfumed, add 1 drachm of your favorite perfume. While this preparation is not a dye it is unequalled for restoring grey hair to its original color.
