NEW AUTO-LAW IN MAINE

Expects to Provide \$80,000 to \$100,000 for Use on Roads

Copies of the motor vehicle laws of the state of Maine, including the new graded registration law, which will go into effect on December 31, and the laws prohibiting the use of roads in certain towns, are being distributed from the office of the secretary of state.

The new registration law, which will go into effect the last of this month, provides an entirely different system of automobile registration from that now in effect. All previous registrations of motor vehicles and operators' licenses will expire on Dec. 31 and the certificates of registration become void. The new law provides for an annual registration of \$3 for automobiles over thirty-five horse power and \$10 for motor trucks or automobiles used for commercial purposes, \$3 for motor cycles, \$10 for tractors, engines or log haulers. Manufacturers and dealers in automobiles or auto trucks are required to pay a fee of \$25 for private purchase, demonstrate, sell and exchange automobiles and auto trucks. Each manufacturer or dealer in motor cycles is required to pay a fee of \$8. The fee for a license to operate an automobile, motor truck or tractor engine is \$2. No drivers' licenses may operate motor vehicles in the state for a period not exceeding thirty days without registration.

All fees received by the secretary of state under the provisions of this act are required to be turned over to the state treasurer, monthly to be appropriated and used for the repair, maintenance and construction of the state highways. It is estimated that under the provisions of this act from \$80,000 to \$100,000 will be received from automobile owners, which may be used upon the highways of the state.

CHRISTMAS BUYING

There are certain articles that one must buy during the Christmas season, but it is often a problem to know just what and where to buy. Several people who have visited our store have expressed surprise upon learning that we carry such a large assortment of goods.

In order that the public may better understand the different lines that can be bought at one store we mention the following list: Boots, Shoes, Rubbers, Fancy Slippers, Crockeryware, Glassware, Dishes, Jardiners, Cut Glass, Limoges China, Silverware, Jewelry, Jewel Boxes, Clocks, Watches, Harmonicas, Skates, Pocket Knives, Scissors, Carving Sets, Smokers' Goods, Work Baskets, Scrap Baskets, Books, Stationery, Fountain Pens, Writing Sets, Rocking Horses, Go-Carts, Toys, Games, Magic Lanterns, Travelling Bags, Umbrellas, Sporting Goods, Snowshoes, Clothing, Overcoats, Raincoats, Odd pieces of Furniture, Bedsteads, Soap, Spices, Cream Tartar, Tea, Polishes, Oils, Medicines.

We have hundreds of other lines that space will not permit us to mention. Our prices are as low as the lowest in the Province. We give you a twenty per cent. rebate in coupons, which you can use the same as cash to purchase any article in our store. The reason we are able to do this is, first, owing to our cash system we have no losses; second, we buy in large quantities direct from the manufacturers and thus save the middleman's profit which we give to you in coupons.

Think it over, then come and see us.
