The Committee.

The members of the Garrison Mess committee, besides Major Rainnie, were Lieut.-Col. H. C. Sparling, Major R. A. McAvity, Major E. R. Vince, Capt. W. V. R. Winter and Capt. Campbell. The members of the ladies' committee with Mrs. Travers were Mrs. F. R. Taylor, Mrs. Sherwood Skinner and Mrs. W. L. Caldow, and all the primary chapters of the order in the city had some part in the arrangements for the supper.

Miss Canada was gowned in turquoise blue with French flowers and wore silver slippers with pearl buckles as she had worn at the coronation ball in Montreal. Miss Halifax wore a beautiful dress of blue sequins. Throughout the evening all eyes were attracted to the two Queens.

The orchestra, under the direction of Sergt. William Jones, provided a very fine programme of dance music, and during the evening Harry Thompson, of the Feist Company, of Toronto, sang pleasing solos.

The card room was in charge of the Lady Roberts' chapter, of which Miss Olivia Gregory is regent, and many devotees of bridge passed the evening happily within its precincts.

SCIENTIST SAYS PEACOCK IS NORTH AMERICAN BIRD New York, Feb. 14.-Dr. Frank Blair Hanson, head of the department of

zcology at Washington University, says that a bed of asphalt found in California, which had caught and preserved the skeletons of animals, birds and reptiles, has been of "immeasurable value to science." Animals are caught in the asphalt bed as flies are caught on fly-

paper, he explained.

"One of the interesting facts discovered in this fossil bed," he continued, "is that the peacock, formerly believed to be a native of Asia, was a North American bird."
