Steamer Georgia will probably get away

bound for Mexico on Sunday next. She

will have a fair cargo of lumber, salmon and other local products. The salmon

will be the first big shipment to be made

to Europe by the Tehuantepec route. The steamer will go direct through to Salina

Cruz in order to have the salmon at

signments at this port and Vancouver

FROM SALINA CRUZ

-

The work of removing the bodies be done with all decency.
