important office he holds.

Money can be found by the government for other public services, but niggardly expenditure is a characteristic of the Fisheries Department in the important matter of guarding our North Shore rivers. To save necessary expenditure for guardinaship Mr. Tupper has deprived the up-river fishermen of the Miramichi—the second largest river of eastern Canada—of the privilege of salmon-fishing, which they and antecedent generations have always enjoyed. This means that the present government—through its Minister of Fisheries—is unwilling to spend the papers are very multim such possible.
