Why should the untiring vigilance of this poor man ge underwarded? It was surely our duty to a faithful and loss suffering public body to meet them half way in their endeavor to bring the apparently guilty to justice and I, there and then, resolved that as the police hungered for proof of anarchy, proof they should have. George, too, began to come round to my views, though he did not seem to relish much the idea of "guying" as he termed it, authorities, However, the espionage of the man was ever, the espionage of the man was intolerable, and at length brother George agreed to lend himself to a Japan has little quiet deception which was to

My excuse must be that I was young and enthusiastic, disposed to jump to conclusions and possessed of a taste of scribbling, wilfully encouraged by the unthinking editors of a few popular journals. I rather fancied my ability to appreciate a joke and to perpetrate one with becoming gravity when occasion required. This purports to relate how I rose to such an occasion. It so happened that quite recently one of my productions had secured a prominent place in the pages of a certain weekly, which, in return for a pretty pink slip of paper, insists upon the name and full address of the recipient appearing in countries.
