**SOOTHING SYRUP**  
**For Children Teething,**  
 which greatly facilitates the process of teeth-  
 ing, by softening the gums, reducing all infla-  
 mation; will allay all pain and spasmodic ac-  
 tion, and is  
**SURE TO REGULATE THE BOWELS.**  
 Depend upon it, mothers, it will give rest to  
 yourselves, and **Health to your Infants.**  
 We have put up a new and all this article  
 over ten years, and can say in confi-  
 dence and truth of it, what we have never  
 been able to say of any other medicine—  
 Never has it failed in a single instance, to  
 effect a cure when all other remedies have  
 failed. We know an infant of dissatisfac-  
 tion by any one who used it. On the con-  
 trary, all are delighted with its operation,  
 and speak in terms of the highest commen-  
 dation of its magical effects and medical virtues.  
 We speak in this manner from our own ex-  
 perience, and from the experience of  
 what we here declare to be almost every in-  
 fance where the infant is suffering from  
 pain and exhaustion, relief will be found in  
 fifteen or twenty minutes after the syrup is  
 administered.  
 This valuable preparation is the prescrip-  
 tion of one of the most experienced  
 and skillful Physicians in New England, and has  
 been used with the most successful success in  
 THOUSANDS OF CASES.  
 It will not only relieve the child from  
 pain, but invigorates the stomach and bow-  
 els, corrects acidity, and gives tone and  
 energy to the whole system. It will al-  
 most instantly relieve the infant from  
 GRIPING IN THE BOWELS, AND  
 WIND COLIC,  
 and overcome convulsions, which if not  
 speedily remedied, end in death. We be-  
 lieve it the best and surest remedy in the  
 world, in all cases of Dysentery and Diar-  
 rhea in children, whether it arises from  
 teething, or from any other cause. We  
 would say to every mother who has a  
 child suffering from complaints—do not  
 let your prejudices, nor the stand between  
 your suffering child and the relief that will  
 be sure—yes, absolutely sure—to follow  
 the use of this medicine if timely used. Full  
 directions for using will accompany each  
 bottle. None genuine unless the fac-simile  
 of CURTIS & PERKINS, New York  
 is on the outside wrapper.  
 Sold by Druggists throughout the world.

**THE GREATEST**  
**Medical Discovery,**  
**OF THE AGE.**  
**Ayer's Sarsaparilla**  
 Dr. KENNEDY, of Roxbury, has discovered  
 in one of our common pasture weeds  
 a remedy that cures  
**EVERY KIND OF HUMOR**  
 from the worst scurfy skin to a common pimple.  
 He has tried it in over eleven hundred cases,  
 and never failed except in two cases,  
 (both thunder humors.) He has now in his  
 possession over two hundred certificates of its  
 value, all within twenty miles of Boston.  
 Two bottles are warranted to cure a nursing  
 sore mouth.  
 One to three bottles will cure the worst kind  
 of pimples on the face.  
 Two or three bottles will clear the system of  
 bile.  
 Two bottles are warranted to cure the worst  
 canker in the month and stomach.  
 Three to five bottles are warranted to cure  
 the worst case of erysipelas.  
 One to two bottles are warranted to cure all  
 humors in the eyes.  
 Two bottles are warranted to cure nursing  
 of the ears and blotches among the hair.  
 Four to six bottles are warranted to cure  
 corrupt and running ulcers.  
 One bottle will cure scaly eruptions on the  
 skin.  
 Two or three bottles are warranted to cure  
 the worst case of it-scurv.  
 Two or three bottles are warranted to cure  
 the most severe case of rheumatism.  
 Three or four bottles are warranted to cure  
 the worst case of scrofula.  
 A benefit is always experienced from the  
 first bottle and a perfect cure is warranted  
 when the above quantity is taken.  
 Reader, I have peddled over a thousand  
 bottles of this in the vicinity of Boston. I  
 know the effect of it in every case. So sure is  
 the water will extinguish fire, so sure will this  
 cure humor. I have never sold a bottle of it  
 but that sold another; after a trial it always  
 speaks for itself. There are two things about  
 this herb that appear to me surprising; first,  
 that it grows in our pastures, in some places  
 quite plentiful, and yet its value has never  
 been known until I discovered it in 1814—second,  
 that it should cure all kinds of humor  
 in order to give some idea of the sudden rise  
 and great popularity of the discovery, I will  
 state that in April, 1853, I peddled it, and  
 about six bottles per day—in April, 1854, I  
 sold over one thousand bottles per day of it.  
 Some of the wholesale Druggists who have  
 been in business twenty and thirty years, say  
 that nothing in the annals of patent medicines  
 was ever like it. There is a universal praise  
 from all quarters.  
 In my own practice I always kept it strictly  
 for humors—but since its introduction as a  
 general family medicine, great and wonderful  
 virtues have been found in it that I never sus-  
 pected.  
 Several cases of epileptic fits—a disease  
 which was always considered incurable, have  
 been cured by a few bottles. O, what a mer-  
 cy it will give to all cases of that  
 awful malady—these are but few who have  
 seen more of it, than I have.

 Two bottles are warranted to cure a nursing  
 sore mouth.  
 One to three bottles will cure the worst kind  
 of pimples on the face.  
 Two or three bottles will clear the system of  
 bile.  
 Two bottles are warranted to cure the worst  
 canker in the month and stomach.  
 Three to five bottles are warranted to cure  
 the worst case of erysipelas.  
 One to two bottles are warranted to cure all  
 humors in the eyes.  
 Two bottles are warranted to cure nursing  
 of the ears and blotches among the hair.  
 Four to six bottles are warranted to cure  
 corrupt and running ulcers.  
 One bottle will cure scaly eruptions on the  
 skin.  
 Two or three bottles are warranted to cure  
 the worst case of it-scurv.  
 Two or three bottles are warranted to cure  
 the most severe case of rheumatism.  
 Three or four bottles are warranted to cure  
 the worst case of scrofula.  
 A benefit is always experienced from the  
 first bottle and a perfect cure is warranted  
 when the above quantity is taken.  
 Reader, I have peddled over a thousand  
 bottles of this in the vicinity of Boston. I  
 know the effect of it in every case. So sure is  
 the water will extinguish fire, so sure will this  
 cure humor. I have never sold a bottle of it  
 but that sold another; after a trial it always  
 speaks for itself. There are two things about  
 this herb that appear to me surprising; first,  
 that it grows in our pastures, in some places  
 quite plentiful, and yet its value has never  
 been known until I discovered it in 1814—second,  
 that it should cure all kinds of humor  
 in order to give some idea of the sudden rise  
 and great popularity of the discovery, I will  
 state that in April, 1853, I peddled it, and  
 about six bottles per day—in April, 1854, I  
 sold over one thousand bottles per day of it.  
 Some of the wholesale Druggists who have  
 been in business twenty and thirty years, say  
 that nothing in the annals of patent medicines  
 was ever like it. There is a universal praise  
 from all quarters.  
 In my own practice I always kept it strictly  
 for humors—but since its introduction as a  
 general family medicine, great and wonderful  
 virtues have been found in it that I never sus-  
 pected.  
 Several cases of epileptic fits—a disease  
 which was always considered incurable, have  
 been cured by a few bottles. O, what a mer-  
 cy it will give to all cases of that  
 awful malady—these are but few who have  
 seen more of it, than I have.

 Dr. KENNEDY, of Roxbury, has discovered  
 in one of our common pasture weeds  
 a remedy that cures  
**EVERY KIND OF HUMOR**  
 from the worst scurfy skin to a common pimple.  
 He has tried it in over eleven hundred cases,  
 and never failed except in two cases,  
 (both thunder humors.) He has now in his  
 possession over two hundred certificates of its  
 value, all within twenty miles of Boston.
