six to eight feet.

—The returns of the United States commerce for the 11 months ended May, show an increased volume as compared with likeperiods in the two preceding years. The total imports were \$719,153.390, and the ex orts \$652.119.552. The imports arguesty-seven millions is accessed the exports. This is in streage contrast with the 1 months ending May, 1882, when the exports were \$161,256,497 in excess of the imports are received at New York.

—The Maine Central has put on refrigerator cars between Bangor and Boston for the essaon.

The iron workers' at Pittsburg have

frigerator care between Bangor and Boston for the reason.

The iron workers' at Pittsburg have strack and the mills are idle. The snampacturers have stated in positive language that they would not pay the present wages. Should all the mills close fully 1,000 men will be affected.

The first transatiantic vessel that ever arrived at Chicago steamed into the river on the 29t. It was the Rosedale, which left Southerland, England, one month ago. She is brand new from the thipbuilders yards, and brought a cargo of Pertland cement from Loudon. It was r shipped at Montreal and Kngston to st. her through the Welland Coana. The R weedals is a propellor, and a very fast one. She will not go back to England, but will be kept on the great lakes to run between Toro to and Port Arthur.

Gold bearing quar z_ worth \$40 000,

Toro to and Port Arthur.

Gold bearing quar z, worth \$40 000, a saif to have been diecovered at the Lake Superir: Iron company's shaft, seven miles north-west of laberquisg.

—The walls of the land and river improvement company's hotel at Superior, Wis., now building, thave fallen, burying five men and injuring as many more.

—The army worn is doing great injury to farm crops in some parts of California.

GEFERAL.

—The t tal railway mileage of the world is 319.152.

is 319,152.

—Phil Armonr, the richest man in Chicago (e-i a s a \$25,000,000) lives in a very modest hour on Prairie avenue. Every night, we are not aummer, he goes to bed promptly as 9 o'clook. It doesn't make any difference shat is going on in the house. If there is company he excuses himself, If his wife is giving a reception, she has to receive alone after 9 o'clook. Every morraing, winter and summer, he is taking his breakfast at 6 o'clook, and at 7 o'clook, before any of his clerks appear, he is at his deak hard at work. He is very charitable, and gives away about \$400,000 a year.

charinble, and gives away about \$400,000 a year.

—It has recently been decided by the supreme court of Pennsyl rania that Bunday maringes are null and vids.

—A Milan new-paper, the Socolo, is publishing the Bible in 210 half-penny partsof eight pages such and 900 wood outs. This is the first enterprise of the kind, in Italy, and it has already schieved enormous success.

—Lunsoy is Esgland is still an increasing factor. There were no fewer than 23,643 lunnition registered at the beginning of the year, 37,601 men and 45,042 women.

—A Frenchman claims to have in year.
