PLANK FELL ON HIM

Hamilton Man Badly Injured.

Reuben Atherton, of 367 Ferguson Ave., Hamilton, an employee of the Otis Elevator Co., sustained serious injury while at work. A plank fell from a height on to his right foot, crushing it badly. He was taken home where Zam-Buk was applied with good result.

Telling his experience of the balm, he said: "After the doctor had dressed the damaged foot with some preparation of his own I was in great pain, and as day after day I seemed to get no relief I left off medical treatment and tried Zam-Buk. From the very first application I traced an improvement. Zam-Buk really seemed to act like magic, cleaning all the unhealthy matter from the wound, drawing out all discoloration, inflammation and soreness; and started healing in quick time. In two weeks the toe and foot were well again. Zam-Buk balm is certainly a wonderful healer, and I would not care to be without a box in the house. You can use the above statement in any papers, books or publications, as it may lead some other sufferer to use Zam-Buk and get relief as I did."

All workers should keep Zam-Buk handy. Applied to a cut or wound, it stops the pain, commences healing, and what is equally fine—it prevents all possibility of blood-poisoning. Zam-Buk is equally good for skin diseases, and cures eczema, itch, ulcers, abscesses, varicose ulcers, scalp sores, blood-poisoning, etc. It heals cut cracks; chapped hands, frost bite; cures piles and all inflamed conditions of the skin and tissue. Fifty cents a box from all druggists and stores, but avoid imitations and substitutes, some of which are highly dangerous, and none are beneficial.
