New York, May 3.—Miss Ethel Marquet Corbett, a handsome trained nurse at a nurses' home in 160 West Sixty-first street, this city with two friends as witnesses, was quietly married by Magistrate Campbell in his private office in the West side court on Thursday night about midnight, to Charles S. Stoddard, an inventor, residing on Sedgwick avenue, Bronx Borough. Miss Corbett came here from St. John, where her relatives still reside, to practice her profession. The meeting has occupied nearly the entire week and in many respects has been the most notable demonstration ever held in America in aid of the movement for international peace. Eminent representatives of the Dominion of Canada were foremost on the programme at this morning's session, which was devoted to a discussion of plans for the coming celebration of the centenary of a century of Anglo-American peace. Among the speakers were Justice Russell, of Halifax; John Lewis, of Toronto, and Justice Hildell, of the Supreme Court of Ontario.

Strength Returns, Health Renewed, Vitality of Youth Re-created.

Exhaustion and Bodily Tiredness Every Day Being Turned Into Vigor and Ambition by Dr. Hamilton's Pills.

From Chebourg Pt., N. S., comes the following from Mrs. W. A. Reynolds: "A year ago my health began to fail, I lost appetite, became nervous and weepless. My weight went down, I became thin, hollow-cheeked, and had black rings under my eyes. I really felt as if the charm of life had left me and when springtime arrived I was in the 'blues.' I read of Dr. Hamilton's Pills and got five boxes at once. "Within a month my appetite and color were good. I gained strength and felt like a new woman. New life and vigor returned and my friends scarcely knew me. My medicine this will do this should be in every home."
