MEMORIAL HOME
The preparation of the Provincial Memorial Home for Children in Wright street for occupation is going on rapidly and it is expected it will be ready for the reception of children in two weeks. The plumbing and electric wiring have been almost all overhauled and improved, and some of the societies have already begun to move in furnishings for the rooms. The work of cleaning, painting, etc., will be proceeded with as quickly as possible.

With advancing years the eyes change considerably. Even among young folks, former defects may increase or new defects develop, requiring in either case a change in glasses. Come in and consult us today.

Police Court Cases Yesterday

Stearns Forgery Case Given Another Hearing and Will be Disposed of This Morning—Merritt Case Was Re-sumed.

The Stearns forgery case was given another hearing in the police court yesterday afternoon. Evidence was given by Mr. Dalton, cashier of the Bank of Montreal, who identified a cheque for \$70, as one which he had cashed at the bank, and it was later returned stamped as a forgery.

John Bridges, Main street, said that the defendant had boarded at his place, and while boarding there had secured a typewriter, which he frequently used. This completed the evidence and the case was held over until this morning for disposal. If Starr Hall appeared for Stearns and W. J. Scott conducted the prosecution. The Merritt case, in which the husband was accused of abusing and ill-treating his wife, was temporarily settled, and the Magistrate told Mrs. Merritt to go back to her husband, cook a good supper for him and see if they could not adjust their own troubles before four o'clock this afternoon. In case they are unable to do so, the matter will be taken up further.

Kerlow Miller, at the morning session, was remanded following a charge of loitering and acting in a suspicious manner around the Union depot on Tuesday.

from took place yesterday afternoon from her residence, 55 Middle street, West St. John. Service was conducted in St. George's church, by Rev. W. H. Sampson and interment was made in Cedar Hill.

The body of David A. Phillips was taken to Cole's island, Queens County, yesterday morning on the early train. Service was conducted Tuesday evening at his late residence in Randolph by Rev. Mr. Bishop.
The body of Miss Hilda Palmer was taken to Hampstead yesterday morning on the steamer D. J. Purdy. Service was conducted at the residence of her parents, Mr. and Mrs. J. Palmer, 58 Bentley street by Rev. David Hutchinson, D. D.

Common Council Meeting Yesterday

Adopted Resolution That Grant of \$5,000 be Made for Vocational Training—Street Paving Was Again Discussed.

The City Council yesterday adopted a resolution that a grant of \$5,000 be made for vocational training to the end of the present year. The school authorities will want \$10,000 next year.

Commissioner Jones opposed the grant at present. He said the School Board was carrying an overdraft of \$28,000, and the teachers had just demanded an increase of wages. The School Board had adopted a report signed by Geo. B. Day, C. H. Green, H. A. Barnes and J. Galt, stating that in view of the conditions of school finances it was not advisable to undertake vocational training at present, and recommended that the city be asked to take a plebiscite on the matter.

Commissioner Jones said the police, firemen and probably other city employees would want increases of salaries next year. He was not opposed to vocational training, but felt that the grant should be deferred till the Council took up estimates for next year.

Recommendations were adopted that plans and specifications be prepared for paving the whole of Douglas avenue with bituminous concrete on a foundation of broken stone, curbing to be of cement in case granite cannot be obtained at a reasonable price. That plans and specifications be prepared for the paving of the following named streets with bituminous concrete on a foundation of broken stone, namely: Piny Road, from Pond street to the Marsh Bridge; Brussels street; Marsh Road, from the Bridge to the city line.

That the estimate for sewerage extension on Douglas avenue be increased from \$6,000 to \$6,300, and that the estimate for water extension on Douglas avenue be decreased by \$200.

On motion, Commissioner Fisher was authorized to pay union wages at the rate of \$4.98 1/2 per day to stationary engineers in his department, to date back to October 29. The old rate was \$4.00 per day. The working period nine hours. There are three men concerned, two of whom are operating street rollers, and will soon be released.

On motion of Commissioner Fisher, authority was granted his department to purchase from Morrison & Newlands, at \$87.60 per thousand, 50,000 blocks, to be delivered at the city storage area Broad street, and to be paid for by temporary loan.

Commissioner Bullock reported that damage, estimated at \$1,000, had been done to the fall shaft and other property of the ferry steamer Governor Carleton, in a collision of the propeller with a sunken log on Monday last; that the steamer had been placed on the blocks, and that repairs were under way.

The Commissioner also reported that on Monday last, Mate H. S. McClary, of the ferry department, had suffered a fracture of the right wrist in being caught in the steam-steering gear of the Governor Carleton. The accident had been reported to the Workmen's Compensation Board.

Commissioner Fisher remarked that it was a matter of regret that the Compensation Board allowed only 65 per cent. of the wages of an injured person and stated that this was less than was allowed for injuries before the board was established.

OBITUARY

Mrs. Catherine Crandall.
Salisbury, Nov. 20.—The death of a highly respected and much beloved lady, in the person of Mrs. Catherine Crandall, took place at her late residence here on Monday morning, Nov. 17th. Some five weeks ago she suffered a paralytic stroke and since that time her condition has remained practically unchanged, until she died suddenly and very peacefully to the aged lady, on Monday, about 10 a. m. She leaves to mourn two sons, George and Henry N. of the City firm of Crandall & Carter, and two daughters, Mrs. J. W. Carter and Miss Laura, all of Salisbury. She is also survived by two granddaughters, Miss Lee E. Taylor, of Moncton, and Miss Carol V. Milton, at home. Mrs. Crandall was the wife of the late Henry Vaughan Crandall, and a sister of the late John A. Webster, contractor, of St. John, N. B.

Mrs. Crandall was one of our oldest residents, being in her 86th year, and was greatly beloved by all who knew her. Her passing will be mourned by a large circle of relatives and friends. Many and beautiful floral offerings testified to the esteem in which she was held.

The funeral was held on Wednesday afternoon, the 19th inst. Services at the home and grave being conducted by the Rev. N. A. MacNeill. Interment was made at Pine Hill cemetery.

Mrs. W. H. Webber.

Fredericton, Nov. 19.—The death occurred at Mungit, last night, after a lingering illness, of Mrs. W. H. Webber, aged 82 years. Deceased is survived by four sons, four brothers, Nellie and Michael Sharkey, of Montana; George and Nicholas, of Woodstock, and one sister, Mrs. O'Brien, of Oldtown, Maine.

George Bailey.

Fredericton, Nov. 19.—Relatives here have been informed of the death of George Bailey in Winnipeg. He was a native of Kingsclear and was one of the railway pioneers of the Canadian west. He was the first C. P. R. locomotive engineer in Calgary and lived in that city for the greater part of his life and drove the first locomotive in the great west. Mrs. Joseph McKay, of Kingsclear, a patient in Victoria Hospital in this city, is a sister. His wife, three daughters and one son cap-

Rustle of Paper Would Upset Her

Mrs. Holmes Praises Tanlac for Restoring Her Health in Short Time.

"It seems simply remarkable that it has taken only two bottles of Tanlac to completely overcome my six years of troubles," said Mrs. Olive Holmes, who lives at 400 Atlantic street, Sydney Mines, N. B., while talking to the Tanlac representative the other day.

"It was about six years ago that my health began to fail me," she continued, "and since that time I have suffered from a complication of troubles. My nerves were so terribly shattered that even the rustling of a newspaper would upset me, and I was so restless at night that it was almost impossible for me to get a night's rest and sometimes it would be three o'clock before I could close my eyes. I had a poor appetite and indigestion caused me so much misery that I hardly ever cared whether I ate anything or not and I was troubled with dreadful headaches that often kept me in bed for days at a time. I felt tired out all the time and lost so much in weight that I looked almost like a frame and was so weak that I had to give up my housework altogether.

A friend of mine told me about Tanlac and now I am certainly thankful to her for her advice for it has proved to be just the thing I needed, and before I had finished by second bottle I felt like a different woman entirely. My nerves are so steady that I can stand any kind of noise, and I am never troubled with headaches any more. I have a splendid appetite and eat just anything I please without any bad effects in the least and my food is giving me so much nourishment that I am stronger than I have been in years. I sleep like a child and rest perfectly and I never have that worried feeling, but instead, I have so much energy and strength about me that my housework is a pleasure for me. Tanlac has done for me that I wish I could tell everybody about this medicine."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Adv.

ive in the west. Mr. Bailey went to Winnipeg via St. Paul, Minn., in 1873. He was employed by the C. P. R. syndicate prior to the formation of the C. P. R. Company. In 1916 he retired on pension and during the war showed great interest in work for the soldiers, himself producing 1,500 pairs of machine knit socks.

Mrs. J. R. Baxton.

Fredericton, Nov. 19.—The death occurred at Mill Cove, Queens county, yesterday afternoon, of Mrs. J. R. Baxton, aged 71 years. The deceased was stricken with paralysis about ten days ago.

Baxton's aged husband she is survived by four sons, Jarvis and Theodore, at home; Walter of Portland, Me., and F. E. of North Devon; three daughters, Mrs. Albert Thompson of Houlton, Me., and Mrs. C. Orchardson and Mrs. Miles Ferris, of Mill Cove, and Mrs. A. M. Garris, of this city, two brothers, Alonzo Thompson, of Portland, Me., and J. W. Thompson of this city; and four sisters, Mrs. Worden, of Washademoak Lake; Mrs. Ferris, of Waterbury; Mrs. Sherman, of Houlton, Me., and Mrs. C. Orchardson and Mrs. Miles Ferris, of Mill Cove, and Mrs. A. M. Garris, of this city.

Castoria, or Something Else?

FLETCHER'S CASTORIA is particularly a preparation for Infants and Children made agreeable to the taste, acceptable to the stomach and pleasant in its action. It has been in use for over thirty years and has always been one of the most highly esteemed of all cathartic preparations.

It has one great advantage over other preparations of its kind in that while it opens the organs readily and completely, it does not have a tendency to produce subsequent constipation so much to be dreaded.

Fletcher's Castoria having been prepared solely for our little-ones, should not be confused with ordinary cure-alls or preparations primarily compounded for grown-ups. The child's organism, so delicate and tender, requires specially prepared medicines and foods, the one no less than the other, as mother-love well knows, and mother-love can not be deceived.

Children Cry For Fletcher's CASTORIA

Fletcher's CASTORIA

Bringing Up Baby.
When Adam ate the Apple we heard nothing about its effect on his stomach, but we do know, or ought to know, about the effect of all eatables given our children. This knowledge is necessary to all mothers, and the deaths among infants indicate that much information along this line is needed.
On this subject many works have been published, but most of them so technical and complicated as to be unintelligible to the lay mind. Food, hygiene and proper clothing must be learned by all mothers—they must study them, know them. Do you?
Around every bottle of Fletcher's Castoria is a booklet in plain, everyday language that all can understand, put there by the advice and approval of physicians. Will you read it?
Fletcher's Castoria has been in use so many years that it is a waste of words to praise it, but because of the many substitutes and imitations we endeavor to protect the babies by keeping before the public the signature of Chas. B. Fletcher and a copy of the wrapper. It is your only safeguard.
