their vast tributaries, throughout our
entire country during the Summer and
Autumn, and remarkably so during seasons of unusual heat and dryness, are
invariably accompanied by extensive derangements of the stomach and liver,
and other abdominal viscera. In their
treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There
is no cathartic for the purpose equal to
DR. J. WALKER'S VINEGAR BITTERS,
as they will speedily remove the darkcolored viscid matter with which the
bowels are loaded, at the same time
stimulating the secretions of the liver,
and generally restoring the healtly
functions of the digestive organs.

Fortify the body against disease
by purifying all its fluids with VINEGAR
BITTERS. No epidemic can take hold
of a system thus fore-armed.
