PUBLISHED WEEKLY AT SI A YEAR

CARLETON PLACE, MAR. 20, '72

SPECIAL TELEGRAMS

(Per Montreal Line.) Ottawa, 18th .- A large number frishmen turned out to celebrate St Patrick's appiversary. After high mass n the Cathedral of Notre Dame at ten o'clock, at which the Rev. Father treaty. Barratt preached a most eloquent and upressive sermon, a procession was formed of about a thousand people, the and struck up and the procession narched through the principal streets of the city, thence to St. Patrick's Hall. several eminent gentlemen. Great

No St. Patrick demonstration Perth to-day. Dablin, 17 .- St. Patrick's Anniver ary was observed through Ireland tolay; no disturbances reported. Drogheda a great open air cele'pration was held at which speeches were made pholding the home rule, and denouncing ne government for refusing pardon to he Fenian prisoners.

romen, and shildren, decked in

reen colors of their native land.

Paris. 16.—The Assembly Committee defence of Paris swemitted their report condemning the present system of ortification around the city. Government as resolved to fortify points occupie luring the siege by German troops. At session of National Assembly, President Chiers made a speech, in which he insisted that the Committee on the budget hould promptly decide on question of new texation. He said the delay of the ommittee in making their report on he subject was paralysing the governnent and trade of the country. M Thiers resented definite propo overnment for raising 55,000,000 franc y taxation of textile, and 56,000,000 ranes on other raw materials. The proposal of government gave rise to a varm debate. The National Assembly o day rejected a resolution proposing a eduction on the allowance of Presiden Thiers. It was proposed to reduce the mount of his allowance by one-tenth. Paris, 17.—A compromise has been fiected between M. Thiers and the udget Committee on the war estimate, which is reduced to 19,000,000 francs London, 17 .- A soal train ran off the vreeked and a cottage near the track

Rome, 17 .- A demorstration in hono f Joseph Mazzine took place to-day, and was a great success. An immens rocession, including all working men's ocieties, with banners, flags and music. arried a bust of the deceased patriot brough the principal streets to the

The political affairs of Spain appear to be in anything but a satisfactory condition just now. Revolution seems to be in order in several parts of the Kingdom.

At a public audience at Rome the Pope said the misfortunes of the Church date back to 1849; he further said that the existence of two Powers in Rome was impossible.

Sentrics and amolying the About three man had been wounded. About three miles from the camp, a Loshai, clad in a yellow cloak with a tall bunch/of feathers on his head, appeared in the path, on the uttermost post, quite ahead of the general Temperance army, who will nevertheless find his thoughts fall of interest, as they are certainly full of energy and fire:

On understanding that he would not be malested be ascended a tree, and waying "My Dear Mr. O'Brien,—It will be molested, he ascended a tree, and waving a red cloth yelled in a most unearthly impossible for me to be at your great manner to his brethren in the jungle to convention. I regret it exceedingly, as cease firing and come in. Gradually I had rather meet the men who will be from behind bush and tree, skulking assembled at that convention than any along ridge to ridge, savage after savage other body of men brought together dropped in, till a goodly number were collected, including one woman and child; religion alone. If I were there with a unwelcome intelligence that the king of scourges, cholera, has broken out in that portion of the British forces in India out of the ground from all sides. The firing ceased at once. The Kholell face of the earth of the thing called stated that they had lost severely both in alcohol. If it were possible I would The people of Switzerland have unlertaken to watch revolutionary Italians.

A little watching will not do them any larm, and may have the effect of confinng their turbulent demonstrations to subsistence. Whether this was absolutely ical and medicinal purposes. Any true or merely a ruse to gain time and mechanical or chemical ends, attainable course not known. They were informed as compared with the wheeks and the that our terms would be stated to them ruin caused by the informal stuff. The armistice was concluded. When ques-tioned about their losses they acknow life, in America alone, is too great to lays only one Loshai corpse has been leven the old faith that all the devices of
