

HEALTHIEST ONE IN THE FAMILY

No Sign Of Dropsy And Kidney Trouble
Since Taking "FRUIT-A-TIVES"

HATTIE WARREN

Port Robinson, Ont., July 8th, 1915.

"We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Hattie, was troubled with Kidney Disease. The Doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives'. She began to show improvement after we had given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We can not say too much for 'Fruit-a-tives' and would never be without them".

WILLIAM WARREN.

50c. a box, 6 for \$2.50, trial size, 25c.
At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

FRECKLES

Now Is the Time to Get Rid of
These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of ointment—double strength—from your druggist, and apply a little of it night and morning, and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than one ounce is needed to completely clear the skin and gain a beautiful, clear complexion.

Be sure to ask for the double strength ointment, as this is sold under guarantee of money back if it fails to remove freckles.—Advertisement.

THE WORLD-RENOVED

GRASSHOPPER
OINTMENT AND PILLS

UNSOLICITED TESTIMONIAL

15 Richardson Street, Pt. St. Charles,
Montreal, P.Q., Canada.

Dear Sir,
I have sent you two dollars for some Grasshopper Ointment. The way I got your address was through a friend telling my wife to get Grasshopper Ointment for her leg. She has suffered for over fifteen years and could get no cure; it was so painful she could hardly walk. We got some Grasshopper Ointment and after using three boxes she is almost well again; it is a wonderful Ointment.
Yours respectfully,
B. ROBERTS.

GRASSHOPPER

OINTMENT and PILLS, is a certain cure for Bad Legs, Poisoned Hands, Ulcerated Joints, Housemaid's Knee, Carbuncles, Snake and Insect bites, etc., etc.
Prepared by ALBERT, Albert House, 73 Farringdon Street, London, England, and sold at all Drug Stores.

in England now, except soldiers, and it takes a very steady head to make munitions and do all the other work that they are doing. I think if you regard her in the true light, she is as necessary as our brave soldiers.

"Gipsy," I don't think you could fill a place on some of the farms around here as the work is as much as most men want to handle, and most of us are not weaklings. I am four feet six inches myself, and can carry one hundred and fifty pounds around the yard with a fair amount of ease, but many a morning has found me asleep with my head beside an untasted supper, having been too tired to eat.

My brother and I worked two hundred acres of grain, put up one hundred loads of hay last year and didn't have anybody to help us either. How would you like to take a hand in a job like that, "Gipsy?"

My compliments to "Spitfire." I am a bachelor of eighteen and would like to correspond with "Kentish Hop," if she cares to write first. I have the pleasure of coming from the same country. Hoping this will escape the W.P.B. and wishing The Western Home Monthly and all its readers every success.
"St. George."

The West Needs Women

Dear Editor:—Will you allow one of those much-talked-of homesteaders—or perhaps I may call myself a farmer now—space enough for just a few lines.

I wish I could shake hands with "Starlight," whose letter appeared in your December issue. These are my views and I fully agree with him and also understand what he means when he says that it's tough after homesteading forty-five miles from a railway and getting stock and machinery gathered up (and, mind you, that is not easy for a beginner), then to have to sell that stuff at less than its cost, and simply pull out and leave the land. I am afraid if all the boys left around here, this part of the country would soon go back to prairie again.

Perhaps I am more fortunate than some. I have neighbors quite close, and the chores to do, therefore I seldom get lonesome, as by all accounts a good many do.

What we need in our fair Western country is more women to make happier and brighter homes. It would also make something more to work for, knowing one had more than himself to look after, and somebody interested in him seems to make life happier, for there is no home without a woman.

Now don't think I am love-sick—I am only giving my ideas of things as I have found them, and I have not always been on those big plains either.

Should anybody care to correspond with a bachelor of twenty-five, I will answer all letters. Thanking you in advance, Mr. Editor, I will sign myself,
"North Star."

Likes the City Better

Dear Editor:—I enjoy reading the correspondence letters very much, especially the one of Herreger in the Xmas number. We have taken The Western Home Monthly for two years and would not like to do without it because it is always something to look forward to in the evenings. I am a farmer's daughter and have lived in Manitoba for five years. I like it very well, especially the summer time, for I think the scenery is so beautiful when all the wild flowers are in bloom and everything feels so cool and refreshing in the evenings. Nevertheless, I think I would prefer city life as I have always been used to the city.

I do hope that this terrible war will soon be over. I have a brother in the 190th battalion in Winnipeg, and there are quite a few boys from around here who have enlisted and some are overseas. I am eighteen years of age and would like to correspond with anyone about that age. I will close now, wishing the club every success and hoping that this escapes the waste paper basket.
"Khaki."

Corns cannot exist when Holloway's Corn Cure is applied to them, because it goes to the root and kills the growth.

Severe Headaches and Pains in the Back

Resulted From Deranged Kidneys and Constipation
of the Bowels.

It is vain to try to regulate and restore the healthful action of the kidneys until the liver and bowels are set right.

And just here is where so many kidney medicines fail. Kidney derangements almost invariably begin with constipation and torpidity of the liver. The whole work of filtering the blood is thrown on the kidneys, and in time they fail to stand the strain. The poison in the system gives rise to severe headaches, pains in the back and tired, depressed feelings.

Because they act directly on the liver and bowels, as well as on the kidneys, Dr. Chase's Kidney-Liver Pills are eminently successful in the treatment of kidney derangements.

Mr. William Loney, Marysville, N.B., writes:—"I am glad to recommend Dr. Chase's Kidney-Liver Pills to anybody who is suffering from kidney trouble or constipation. I suffered for a long time

from kidney disease and pains in the back, but have found that by using one pill a week the kidneys and bowels are kept in good order, and I do not have any more pains in the back or head like I used to have. I was also a great sufferer from piles, and could get no relief until I used Dr. Chase's Ointment. This ailment is entirely cured now, but we always keep both the pills and the ointment in the house for use when they are needed."

This statement is endorsed by Mr. F. Saunders, Town Marshal, who writes that Mr. Loney's letter is true and correct.

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto.

Remember that imitations only disappoint. The genuine bear the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

Weak From Birth

Harriston (Ont.) Child Saved by Dr. Cassell's Tablets.

MR. CORBY, HARRISTON P.O., ONT., writes:—"Just a few lines in praise of Dr. Cassell's Tablets. Our

little girl was weak from birth, and though we tried doctor's medicine and other things she got no better. She just lay in her cot and cried, and neighbours all said we could not save her. Then I read about Dr. Cassell's Tablets. I said to my wife, 'while there's life there's hope'; we will try these Tablets. We did, and from the first box we could see a change in the child. She seemed to rest more comfortably, and slept well at night. We kept on giving Dr. Cassell's Tablets till she was 18 months old,

and now at three years I don't think there can be a healthier child in the whole Dominion.

Little Miss Corby.

The doctors said she had stomach trouble, and that her chances were small, yet Dr. Cassell's Tablets cured her. They have been worth their weight in gold to us, for we were just giving up hope of saving our little daughter. I don't think there is any other medicine for children like Dr. Cassell's Tablets. I may say my wife has taken them for nerves, and they have built her up splendidly.

Publish this letter if you like; it may help others as the Tablets helped us."

Bright, healthy, happy children, full of life and activity—every mother wants her babies to be like that. Are yours? If they are not, if they are weakly or fretful—we say it in all sincerity—the surest way you will ever find to build up strength and vitality in their little frames is a course of Dr. Cassell's Tablets.

Dr. Cassell's Tablets
