Hours of Comfort and Safety

are in store for the happy folks who own an *Eagle Steel Lawn Swing*. It gives a new idea of comfort. Constructed on an entirely new principle it swings as lightly as a feather in the breeze; safe as a baby's cradle; comfortable as an easy chair. No matter how high or low, fast or slow you swing, the seats remain upright. No tilting backward or forward. Perfect mechanism. Substantial frame of carbon steel prevents all accidents.

EAGLE STEEL LAWN SWING

is made for service and hard wear. The seats can be turned back to any angle. If you desire the table or steel head rests, we have them for you. It is not a cheap, one season affair, but a swing built to last a lifetime. Nothing to get out of order. When folded occupies but little space. A child can set it up or take it down in a few minutes. Artistically finished and every part perfect.
