Last weekend a select group of engineers participated in the Concordia Engineering Hockey Tournament. Although the team did not record a victory, team members unanimously agreed that the tournament was a worthwhile experience. The squad battled McGill to a 1-1 draw and lost to Toronto by a 6-1 count on Friday, and 5-1 to Concordia on Saturday. Head coach and general manager, Jim McMahon, was very pleased with his troop's efforts. "Everyone put out 110% when they were on the ice. We lacked experience, but had a good spirited team."

Rebels continue cause

The UNB Men's volleyball squad played to a 3-1 victory over the U de M team in Moncton last Saturday night improving their record to 6-3. The Rebels obviously too overconfident came out slow and sluggish and gave up the first game to Moncton 15-8. Finally the Rebels realized volleyball was what they were there to play and play it they did. They won the match taking the next three games

straight 15-9, 15-7 and 15-11. Also may I take this moment to indicate to Rebel fans that this team did win the U de M Invitational on Nov. 29, 30, 1986. I also wish to take the opportunity to properly inform the sports community that the Rebels went unbeaten throughout the whole tournament. In round-robin play they breezed by the Canada Winter Games team 3-0, U de M 3-0, and the Moncton Seniors 3-1. In the final match UNB beat Moncton Seniors

3-2. Guy Gallibries, a second year Phys. Ed. student and Ted Takin, a third year Arts student were named tournament all-stars. Yes there are Rebels with a cause! This weekend the Rebels in Halifax against the Dalhousie Tigers. These matches are very crucial as it seems that the Tigers may be the only thing standing between the Rebels and the AUA Championships.
