**come to

With our Literacy Certificates YOU CAN:

Use our computers on a drop-in basis from 9 am to 2 pm Monday to Friday, 9 am to 9 pm Saturday, and 12 pm to 5 pm Sunday. Instruct yourself (using our equipment and standard operating manuals) at your own pace; or use our programs (software) for specific information or problem solving. Try out various programs (software) at our centre to help you decide whether to purchase such items from retail dealers. Try before you buy. Increase your understanding of and ability to use computers if you have already had some computer learning but would like further hands-on experience. Bring a friend (maximum 2 people per computer) and do all of the above for only \$1.88 per hour each.

For Literacy Certificates WE PROVIDE:

Use of computer terminals on a drop-in basis from 9 am to 2 pm Monday to Friday, 9 am to 9 pm Saturday, and 12 pm to 5 pm Sunday (or make an appointment for guaranteed access.) We have Apple, Texas Instrument and other equipment with a wide range of software available for your use. An instructor to get you set-up at your equipment and to provide you with the materials with which you wish to work. A variety of more formal on-going courses should you find you are interested in going further with computer learning.
