KMFDM dominates... The new scientific method

by Peter Stathis

KFMDM Naive Wax Trax Records

KMFDM is a new, scientific method for capturing major financial and

personal advantages everywhere. **KMFDM** is a new knowledge that has nothing to do with positive thinking, religion, or anything mystical.

Once a person is exposed to **KMFDM**, they can quietly profit

from anyone — anywhere, anytime. They can prosper almost anywhere on earth and succeed under almost any economic or political condition. **KMFDM** has its roots in the con-

stant financial pressures and incentives to develop the easiest, most profitable methods of gaining advantages.

Over the decades, all successful salespeople businesspeople, politicians, writers, lawyers, entrepeneurs, investors, speculators, gamers and love machines have secretly searched for shorcuts that require little skill yet contain the invisible effectiveness of the most advanced techniques.

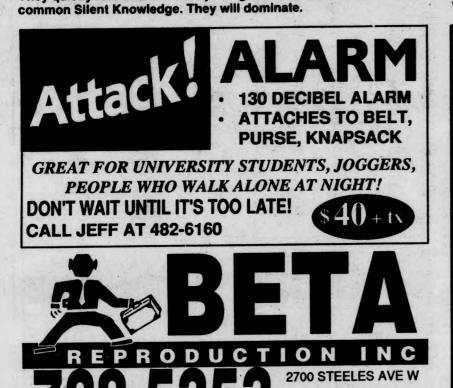

KMFDM, however, is honest and ethical; it is not based on fraud, collusion, gall, hustling, or swindling as are most cheating techniques and con jobs. Indeed, **KMFDM** requires no risk or changes in lifestyle — only a new scientific knowledge that generates profits and power.

KMFDM will someday dominate most winning situations as it spreads into business and personal relationships.

KMFDM people have the power to render others helpless, even wipe them out, but they wisely choose to use just enough of their power to give them unbeatable casino-like advantages in all endeavors. Their KMFDM maneuvres are so subtle that they can be executed with casual confidence. Their hidden techniques let them win consistently and confortably — year after year, decade after decade.

Eventually, **KMFDM** men and women will quietly rule everywhere.

They quietly rule and more are joining. Soon this new religion will be
