Ottawa, January 26, 1934.

Dear Mr. LeSueur,

I just received yours of 25th.  
Will take this matter up with the Chief Engineer  
at once.

Am very sorry to hear that the  
situation is so critical with Sarnia Bridge Co.  
It is earnestly to be hoped the Company will not  
have to close up, because apparently we are on the  
eve of better times for construction companies.

Yours very truly,

Mr. N. L. LeSueur, K. C.,  
LeSueur, LeSueur & Dawson,  
Sarnia, Ontario.
