

C155861

work which can be accomplished in the matter of propaganda not only through newspapers but through co-ordination of radio, films, pamphlets and the other usual channels adopted in connection with propaganda work.

If you will be kind enough to give consideration to the personnel so that I can make a definite recommendation to the Prime Minister in this regard, it will be very much appreciated.

Acting Chairman  
sub-Committee of Cabinet on  
Public Information.
