

Page 5. Removal of Tomatoes
from Accounts and Blue Smith
Plants during the year. This
should be enjoined into
and such removals should
be prohibited unless previous
authority of the Board has been
given.

Page 4. re forming of a large
field in common by the
Indians. The Department's
policy is to leave the Indians
to hold their lands ⁱⁿ ~~separately~~
and not in common.

The latter is of course the
easier plan, if permitted,
for the Agent and the Board
in the way of supervision
as well as for large Indians
who
