OTTAWA, 14th August, 1911-

Sir-

Referring to your letter of the 3rd instant, I beg to say that the Will forwarded by you, being recrossed that of the late Alvy Elliott, has been dis-allowed by the Department, and consequently the land now belongs to the children of deceased, share and share alike to whom a Location Ticket will be issued in their joint names, or if either will sign off in favour of the other - if of the full age of twenty-one years - ticket will be issued in favour of the latter.

Kindly favour me with a full report in this matter with the least possible delay, forwarding the duplicate of Location Ticket No 908, which should be of record in your office,

Your obedient servant

Asst. Deputy & Secretary-

A. W. Williams, Esq.,
