

A-18 Yes, sir. I am in charge of No. 2 Detachment, R.C.E., in this District; Camp 21 is not my only responsibility.

BY THE JUDGE ADVOCATE:

Q-19 But it is part of your duties?

A-19 Yes, sir.

THE PRESIDENT: The map has been admitted as exhibit "I".

BY THE PRESIDENT:

Q-20 Now, mark that position on Exhibit "I"?

A-20 Yes, sir; witness does so.

BY THE PROSECUTOR:

Q-21 Now, the next is the gate known as the "Engineers' entrance"; mark that with an "E"?

A-21 Yes. (Witness does so).

Q-22 This lane (indicating) leading up to the Engineers' Gate; are there any lights in that lane?

A-22 Yes, sir. Here (indicating) are the workshops and there are lights on them.

Q-23 Are they lighted all the time?

A-23 Yes. They are not large lights, but they are over the doors.

Q-24 They are not street lights?

A-24 Oh no, sir.

BY THE PRESIDENT:

Q-25 Are there any street lights there?

A-25 There are street lights along these streets (indicating).

BY THE JUDGE ADVOCATE:

Q-26 But not along this particular street leading to the Engineers' entrance?

A-26 No. That is only a lane down there. There are no street lightsthere. There are lights over the doors of the
