

Map Index	Application Description	Status
8	Igis-balis, on Baronet Passage: Recommended that ten (10) acres be granted, taking in the Indian village and described as being on the shore of Baronet Bay, close to Blackney Pass - on the peninsula between Parson's Bay and Blackney Pass, at the eastern end of that peninsula: for a halibut and cohee station.	<i>on Harrison Isd open</i>
9	Tu-kus-kam, Hansen Island: Recommended that old T.L. No. 24794 (lapsed), containing approximately one hundred and fifty (150) acres, be granted.	<i>Salmon</i>
10	Lak-pus-di-sila, Harbledown Island: Recommended that several small islands be added to Karlukes I.R., these islands (the largest being of about one-half (1/2) acre) lying to the east of Karlukes village.	<i>Tu-kus-kam Isd open</i>
11	Usag, on Pulp Lease No. 221: Recommended that five (5) acres be granted, for a salmon fishing station.	<i>Salmon</i>
<u>Also recommended</u>		
That Swanson Island be given to this Tribe and not to the Mahmahillikallahs, the latter being already better provided for than this Band in the matter of reserve lands.		
<u>MAHTEELTHEE BAND</u>		
2	Kai-kum, Port Neville: Recommended that ten (10) acres be granted at the mouth of the river, for a fishing station and clam beach -- "on the north bank of the un-named river at the mouth of the bay".	<i>Salmon</i>
4	Pa-wa-la, on Coal or Call Creek: Recommended that ten (10) acres be granted on the north bank of the river, immediately above T.L. No. 11130, as a herring fishing station.	<i>open</i>
6	Giltum, Port Harvey, now under T.L. No. 8036: Recommended that forty (40) acres be granted north of and adjoining Reserve No. 2.	<i>Salmon</i>
10	Gili-de-glise, Cutter Creek: Recommended that ten (10) acres be granted as a fishing station - at the head of Cutter Creek and at the mouth of the bay so named on the Admiralty chart: This bay should properly be known as Cutter Creek Bay and the stream debouching into it as Cutter Creek. This recommendation is that land on both sides of the creek be taken in order to make up the recommended acreage.	<i>Almon CO 860 C Almon Almon</i>
13	Kwatsas, Port Neville: Recommended that ten (10) acres be granted, together with	<i>Almon</i>
