## THE WORLD OF SPORT...

### CRICKET.

#### MADE BIG SCORE.

The second eleven of the Chatham Cricket Club is fast making a record for itself. It is a matter of congratulation that Chatham can place a second team, of such calibre, in the field as played Ridgetown here yesterday. It augurs well for the perpetuation of the game in Chatham.

The second eleven should be the training school for "eligibles" for the senior or first eleven. The colts fast making records are Taylor, Stegman, Robert, Hutchison and Gordon in batting, and Dennis, Sutherland and Gordon in bowling.

It is urged that Thamesville, Ridgetown, Highgate, Kingsville and the other towns do all in their power to awaken interest in the oldest and grandest of all the sports—the noble game of cricket.

Yesterday's game between Ridgetown and the second eleven, although very one-sided in favor of the local boys, was not lacking in interest.

Chatham went to bat first and were all out for a total of 121 runs, a large score compared with what the same team made against the same bowling in Ridgetown a week ago—29. Taylor made the heaviest score of the day—28—mostly in three hits, doing some very heavy batting. Stegman came next with 21 not out, while Robert batted a very pretty 15, Hutchison hit for 15 and young Harry Gordon got 13.

For Ridgetown, Jeffries, with eight runs to his credit, made the score. Innes Sutherland and Frank Dennis bowled exceedingly well for Chatham.

### BASEBALL

#### A SPLENDID GAME.

"It was one of the best games I ever saw on Tecumseh Park," remarked a Maple City baseball enthusiast after yesterday's Tilbury-Maple Leafs game.

It was anybody's game right up till the last inning, although from the way the Chathamites started things going in the first innings it didn't look for a minute as if it would be close. The batting went all the way round and one over for a total of four hits and five runs. The visitors secured two runs in their first innings on a base on balls, two errors and a hit.

Tilbury got one in the second and one in the fifth, making the score 7-4 at the end of the sixth.

In the seventh, however, there was doings in plenty, the visitors had scored a run and there were two men out, and a man on third and second, when Catcher Hicks tried to catch the runner at third off the bag. Sowerby at third and the runner got mixed and the ball got away, allowing the two runners to come in.

The score was tied, but the Chathamites were equal to the occasion, coming back with the same trick as in the previous innings by four clean hits.

The scoring was finished and the next two innings were uneventful except for two double plays by the locals.

Joe Robert put up the star game of the day, securing a hit every time he faced a batter, placing the ball in the right spot each time, getting three clean singles and a double.

Bobby Grant pitched fine ball and his support, especially in the outfield, was gilt-edged, all the fielders, McGarry, Robert and Cook, making sensational running catches. Not a long drive did the visitors get in the outfield except when in the trees.

### BASE HITS.

A strong bunch of hitters.

Well, we beat the "Champs" of the county.

Early has lost considerable of his last season's ability.

F. E. Nelles, manager of the Tilbury upbraid the game—and did good work.

One of the spectators remarked that Tilbury was playing ten men. He surely could not have meant that the umpire was favoring the team of which he was manager.

Joe Robert batted a thousand yesterday. Pretty good, eh?

Chauncey Depew played a good second base, getting many bad ones. Chauncey also hit the ball.

Tilbury third-bagger made a sensational running catch back in the crowd almost to the trees.

Bobby Grant fields his position and is always in the game.

## SUMMERY NECKWEAR.

There's no reasoning like variety in a neckwear stock. We go on the principle that a store can hardly have too many styles.

We could keep half as many lines of neckwear and you would not consider the stock skimpy—but then we would only have half as many chances of hitting your personal taste.

Cotton neckwear (washable) in midgeys, tubulars, strings, Derbies, Ascots and stocks, all new bright patterns 10c. to 50c.

All the very latest colorings and shapes in summer silks are also on display, some new ones in to day, 25c. and 50 cents.

### WRITES HOME

To benefit from any other outing the Baths and Waters of the

Magi Caledonia Springs

must be first taken.

Season now open.

It is said that owing to the large prospective crop this season binder twine will be a scarce commodity and it is well known that the large dealers in the United States are seeking twine at higher prices.

Binder Twine Test

J. L. Haycock, ex-M. L. A. and now employed as government inspector of binder twine, visited the M. J. Wilson Cordage Company last week and made a careful test of the twine being manufactured by this company. It will be gratifying to the firm's many customers to state that in point of length, tensile strength, and uniformity of size, the twine was found to exceed the government requirements, and running in all cases nearly five per cent. over standard length.

On Wednesday last the home of Mr. and Mrs. Levi Anderson, Princess street, was the scene of a very happy event, being the marriage of their daughter, Mary L., to Mr. Samuel Smith, of Woodstock. The ceremony was performed on the lawn in the presence of about 75 friends and relatives, by the Rev. J. C. Richards, assisted by Rev. Samuel Drake, of Toronto. The bride looked very charming, as did also her sister, Miss Arabella, who acted as bridesmaid. Mr. Samuel Boswell supported the groom, while little Beatrice Anderson and LeRoy Robinson, the niece and nephew of the bride, did duty as flower maid and page boy. Miss Anderson was a member of the B. M. E. church, and an active worker in the Sabbath school and the church in general, and will be greatly missed by all who knew her. The presents were numerous and valuable, showing the high estimation in which she was held by her many friends. The happy couple left for Woodstock on the 5:08 p. m. train amid showers of rice and the good wishes of all present, where they will reside in the future.

THE NORTH-WESTERN LINE—IMPORTED JAPANESE FANS.

A set of four attractive Japanese fans issued by the Chicago & North-Western Ry. sent to any address securely packed on receipt of 10 cents to pay postage. B. H. Bennett, 2 East King street, Toronto, Ont.

ENTRANCE RESULTS

In connection with the results of the entrance examinations, recently published in The Planet, an error was made in attributing the creation of new records to the findings of the Board of Examiners. While the results were exceptionally satisfactory and congratulating, no new records were scored in the matter of high marks. A phenomenal total of nearly 1,000 marks, secured by a pupil of former years, is a record that will doubtless hold good for many years to come.

This was not a promising year for record-breaking. The examiners were much more severe in their analysis of the papers and a higher standard of qualification was required. The fact that all the schools made such a splendid showing is, therefore, specially creditable.
