GEORGE P. REID, *General Manager*

Montreal Trust Company

A Practical View

The administration of estates is a business. In conducting it properly, experience, judgment, integrity and financial strength are just as essential as they are in any other business. Many estates, built up by a lifetime of effort and skill, have diminished greatly in value through incapable administration. This institution makes administration of estates a business. Its public character, financial strength directors and officers are a surety of its efficiency, faithfulness and impartiality
