**The Old Reliable Firm Has Bought This Space** for one year. We want to encourage a first class Canadian Stamp paper, and an enterprising young man, like the publisher of the Montreal Philatelist, Mr. Bach. We also want to encourage his subscribers to buy their stamps from the oldest and largest stamp firm in the Dominion of Canada. Our stock is the accumulation of 28 years' business as stamp dealers and we have many things bought years ago and laid aside ever since which we are now offering for the first time. If you have been unsuccessful in getting your want list filled, particularly, in old issues, try us. We can supply anything that is to be had, and if not in stock, we will get it for you, and guarantee satisfaction. We sell new issues too, and are right up to date for example.
