NOTICE.—We received upwards of twenty letters and telegrams from various parts of the continent for several important items in our last Catalogue. We regret exceedingly that any of our customers should have been disappointed, and whenever opportunity occurs in London the books will be secured. With myself, it has ever been, and will continue to be, a pleasure, as well as business, to supply the best Old Literature wheresoever the same may be appreciated, and whenever any of the books indicated come to hand, no advantage of any kind will be taken as to price.

Our correspondents will please bear in mind :—

1. The annexed prices are net and do not include Postal or Express charges.
2. We have by far the largest stock of the best old European literature in Canada.
3. Professional bookselling is not with us a business in which large profits are made or extortionate prices charged. *We have no fancy prices.*
4. We pay ready money and sell at the lowest possible remuneration to all customers for cash. Vast quantities are being purchased by ourselves in London all the year round.
