construction had to be discontinued illi a fresh supply could be obtained from the lumber mills in British Columbia. The wall is being built on the crib construction plan from the bottom of the Mission river, which is twenty-eight feet deep at that point. When completed, the wall will be the means of reclaiming several acres of valuable land from Lake Superior. Fifty men were set to work on the wall this morning, and later on this number will be increased to 125.

be increased to 125.

Report Does Not NEWS IN BRIEF Happenings in Commenting on the Ulster question, the Dublin correspondent of the Belfast News Letter skys: "A merry time is now in order, but if the conversations result in an offer of further concessions to the Loyalists, Redmend may have to face a crisis in his ranks. Sinn Feiners with an advanced doctrinaire, in various sections of Dublin, are openly opposed to any exclusion, temporary or otherwise, as violating the first principle of the Nationalist policy. The Laborites also dislike the proposal and a similar feeling pervades a large portion of Redmond's adherents. The possibility of Ulsier's absolute exclusion, a few days ago remote, has now changed and has given rise to consternation." World of Sport
